Digital Soul Zoe Cannon, 2021-12-03 Your tech knows you better than you know yourself What is reincarnation when immortality is as easy as uploading our consciousness to permanent storage Where does the algorithm end and our true desires begin What does identity mean when someone else has the ability to rewrite our code Technology can help us learn about ourselves and the people we care about sometimes more than we want to And it can change how we see the world sometimes more than we're aware of Fans of Black Mirror will love this twisty shivery collection of six standalone stories about how the tech we use makes us who we are This collection contains the following stories The New Me The Happiness Algorithm Stasis Lost in Translation Hearth Fires Exactly Like She Was The Happiness Algorithm Zoe

Cannon,2021-10-01 The algorithm knows you better than you know yourself And it uses that knowledge for one singular driving purpose to sell you more more more Until a rogue programmer rewrites the algorithm to show you not what you re most likely to buy but what will make you happiest All over the world people are smiling on the street Quitting their jobs Finding love The world is a happier place now and what could be wrong with that But some people s desires are darker than others This short story is 7200 words long It is also available in Digital Soul a science fiction short story collection

**Reconstructing Amelia** Kimberly McCreight,2013-06-20 Ever wondered what goes on inside your daughter s head Stressed single mother and law partner Kate is in the meeting of her career when she is interrupted by a telephone call to say that her teenaged daughter Amelia has been suspended from her exclusive Brooklyn prep school for cheating on an exam Torn between her head and her heart she eventually arrives at St Grace s over an hour late to be greeted by sirens wailing and ambulance lights blazing Her daughter has jumped off the roof of the school apparently in shame of being caught A grieving Kate can t accept that her daughter would kill herself it was just the two of them and Amelia would never leave her alone like this And so begins an investigation which takes her deep into Amelia s private world into her journals her email account and into the mind of a troubled young girl Then Kate receives an anonymous text saying simply AMELIA DIDN T JUMP Is someone playing with her or has she been right all along

*Racisms in a Multicultural Canada* Augie Fleras,2014-04-29 In acknowledging the possibility that as the world changes so too does racism this book argues that racism is not disappearing despite claims of living in a post racial and multicultural world To the contrary racisms persist by transforming into different forms whose intent or effects remain the same to deny and disallow as well as to exclude and exploit *Racisms in a Multicultural Canada* is organized around the assumption that race is not simply a set of categories and that racism is not just a collection of individuals with bad attitudes Rather racism is as much a matter of interests as of attitudes of property as of prejudice of structural advantage as of personal failing of whiteness as of the other of discourse as of discrimination and of unequal power relations as of bigotry This multi dimensionality of racism complicates the challenge of formulating anti racism and anti colonialist strategies capable of addressing it Employing a critical framework that puts politics and power at the centre of analysis this book focuses on why racisms proliferate how they work in contemporary societies and how the way we think and talk about racism changes over time Specifically it examines the working of contemporary racisms in a multicultural Canada that claims to abide by principles of multiculturalism and a commitment to a post racial society
