These can constitute real examples of how companies are overcoming their challenges with the uncertainty of the market.

**Fashion Marketing** Laura Costin, Liz Barnes, 2025-07-04 This book offers a comprehensive overview of key topics, debates, and issues in the field of fashion marketing. The purpose of fashion marketing is to understand the needs of consumers and to orientate both strategic and operational activities to satisfy those needs. In recent times, fashion marketing has faced an era of fast-paced change, characterised by the rise of fashion influencers, the impact of technology, and the complexity of consumer needs, which has never been so great. As such, there is a need to examine the concept of fashion marketing in this contemporary setting. Featuring a range of contributions from international experts in the field, the book is split into sections broadly covering fashion marketing as a concept, internationalization, digital fashion marketing, and contemporary thinking. In doing so, it covers topics such as fashion, social media, luxury fashion marketing, fashion marketing and the pandemic, sustainability, AI, and omnichannel fashion retail. A definitive resource for students, researchers, and practitioners, this book offers a truly contemporary lens that pushes the boundaries of current and future thinking.

**The AI Metaverse Revolution** Jeetesh Kumar, Manpreet Arora, 2025-06-06 This work offers readers a roadmap for navigating this technological revolution, positioning AI and the Metaverse as essential components of future-proof business strategy.

**Music in Esports** Eulalia Febrer-Coll, 2025-07-21 This book invites the

reader to expand their idea of esports as an independent niche and consider it an integral part of a growing multi and transmedia ecosystem that includes the global entertainment industry where music plays an essential role. The music present in and around esports games is an integral part of how they are communicated and mediated and as such holds a central role in binding their narratives cohesively and coherently to appeal to their audiences. Popular music theory is placed at the foundation of the issues raised in the chapters as it is taken as a cornerstone for linking the esports international scene with the music industry. This text uses specific case studies from popular esports to support and illustrate each chapter including League of Legends, Counter Strike and Fortnite. This book will be of great interest to researchers and students in the fields of esports game design and development, musicology and media studies.

**Research Handbook on the Metaverse and Law**

Larry A. DiMatteo, Michel Cannarsa, 2024-08-06. This Research Handbook analyses the role of law in a universe fractured by new disruptive technologies such as metaverse platforms. Contributing authors explore how the law will adapt as new dimensions of the metaverse are introduced to issues such as intellectual property rights, e-commerce, NFTs and cryptocurrencies, data privacy, contract law, as well as human rights, consumer law, and criminal law. The abuse and manipulation of users is studied in several contributions.

*Gaming and Extremism* Linda Schlegel, Rachel

Kowert, 2024-03-21. Charting the increase in the use of games for the dissemination of extremist propaganda, radicalization, recruitment and mobilization, this book examines the gamification of extremism. Editors Linda Schlegel and Rachel Kowert bring together a range of insights from world leading experts in the field to provide the first comprehensive overview of gaming and extremism. The potential nexus between gaming and extremism has become a key area of concern for researchers, policymakers and practitioners seeking to prevent and counter radicalization and this book offers insights into key trends and debates, future directions and potential prevention efforts. This includes the exploration of how games and game adjacent spaces such as Discord, Twitch, Steam and DLive are being leveraged by extremists for the purposes of radicalization, recruitment and mobilization. Additionally the book presents the latest counterterrorism techniques, surveys promising preventing counteracting violent extremism, P-CVE measures currently being utilized in the gaming sphere and examines the ongoing challenges, controversies and current gaps in knowledge in the field. This text will be of interest to students and scholars of gaming and gaming culture as well as an essential resource for researchers and practitioners working in prevention and counter extremism, professionals working at gaming related tech companies and policymakers.
