I watched people and remembered the events, what was said, what I saw. As I grew up, I remembered those incidents, happenings, and stories, and I loved to share them with friends and students. Over the years, when people heard my stories, they always wanted to hear more, and often told me I should write a book with my stories. After many years of listening to people tell me to write, I wrote this book about the start of my life in a little town in Monett, Missouri. I have written about my parents, my hometown people, I knew, and incidents I observed. The book is filled with my love for this little town and all the people I knew. I am happy to now share those stories with each of my readers.
