In addition to the abridged court cases each section provides introductory information to prepare students on the type of law that will be examined and key concepts to bear in mind while reading. Further each case study ends with review questions that can test student comprehension, be used for review and prompt in class discussions. Answers to these review questions are in the instructor guide which is free to course adopters and available at [www.HumanKinetics.com/CaseStudiesInSportLaw](http://www.HumanKinetics.com/CaseStudiesInSportLaw).
