**Class and Everyday Life** Kirsteen Paton,2023-11-28 Exploring the issues of class through in depth studies of housing sport art music and politics in Britain *Class and Everyday Life* persuasively demonstrates the pervasive influence of class on everyday life and the need to centre a radical understanding of class within emancipatory political movements The need for a more expansive understanding of class is politically urgent There is a disconnect between descriptive and analytical approaches to class and the politics of class and realities around how class is lived Discourse has been shaped by top down frameworks of analysis and measurements which have stripped the study of class of its political radicalism This book makes the case for a sociology of class which is informed by a politics of class based upon using the everyday as the point of enquiry It presents a sociology of class from the bottom up which focuses on everyday life and the point at which class is made and remade In doing so it advocates for an attentiveness to class and everyday life through a conjunctural analysis Using an everyday lens this book examines how the shifting conjunctures manifest in everyday spaces in classed ways and how such changes are negotiated resisted and shape the working class subject and communities This is based upon an understanding of everyday classed experiences which identifies and challenges inequalities while also recognising value and hope This perspective aims to offer a recognition of both the opportunities and challenges of class as a way of developing a stronger more politicised understanding of class which takes solidarity and class community power seriously to resist inequality and develop emancipatory politics This urgent and impassioned book will be essential reading for students academics and activists with an interest in the lived experience of class in Britain today *Software Reviews on File* ,1995 **Sport**

**Management Education** Mike Rayner,Tom Webb,2022-01-27 This book examines a range of contemporary issues related to the global delivery of sport management education At a time of unprecedented change in Higher Education the book looks closely at how sport management education can and should deliver positive outcomes in sport business and management outside of the university The book brings together sport management academics from around the globe and examines how their practice in education has been shaped by the cultural religious and political context of the national regions in which they work It aims to identify core principles in sport management education and implementation and discusses the key aspects of sport management programmes from curriculum design and pedagogy to issues around unified accreditation and the needs of employers It also focuses in on what sport management education might look like in an increasingly digital post

COVID world This is essential reading for all sport management educators and anybody working in sport related professions looking to understand global educational platforms and their implications for policy at local regional national and international level

Future Carrier and Joint Combat Aircraft Programmes Great Britain: Parliament: House of Commons: Defence Committee, 2005-12-21 The Ministry of Defence plans to replace the Royal Navy's current strength of three aircraft carriers with two larger more versatile carriers capable of carrying a more powerful force including new aircraft to replace the Harrier This report analyses the progress of the Future Carrier and related Joint Combat Aircraft programmes There is a serious risk that the two carriers will not enter service in 2012 and 2015 as planned due to delays in investment decision making The novel Alliance between MoD and three commercial companies has not yet been finalised Delays are already impacting UK shipyards and threatening jobs and the survival of the yards The Joint Strike Fighter a US led programme is the aircraft of choice for the new carriers but there are unresolved weight problems The target In Service Date has been put back from 2012 to 2014 so it is possible that the new carrier would be operational in 2012 before the new aircraft is available There must be adequate assurances that the UK will have access to all the relevant technology the Sovereign Capability to enable maintenance and upgrading of new aircraft Otherwise the UK should consider withdrawing from the Fighter programme
