When you are an employee your tax deductions are taken care of by your employer and certain taxes are shared in equal parts between the employee and the employer. However, when you are self-employed, you are completely and solely responsible for paying 100% of your taxes out of your paycheck. There are a few forms that you will have to get familiar with in order to successfully do your filing as a self-employed person. Let us discuss some measures to ensure that you get your taxes right.

The Poetry of Strangers Brian Sonia-Wallace, 2020-06-30

It might surprise you who's a fan of poetry when it meets them where they are. Before he became an award-winning writer and poet, Brian Sonia Wallace set up a typewriter on the street with a sign that said "Poetry Store" and discovered something surprising: all over America, people want poems. An amateur busker at first, Brian asked countless strangers, "What do you need a poem about?" To his surprise, passersby opened up to share their deepest yearnings, loves, and heartbreaks. Hundreds of them. Then thousands. Around the nation, Brian's poetry crusade drew countless converts from all walks of life. In *The Poetry of Strangers*, Brian tells the story of his cross-country journey in a series of heartfelt and insightful essays. From Minnesota to Tennessee, California to North Dakota, Brian discovered that people aren't so afraid of poetry when it's telling their stories. In dying towns, flourish vibrant artistic spirits and fascinating American characters who often pass under the radar: from the Mall of America's mall walkers to retirees on Amtrak to self-proclaimed witches in Salem. In a time

of unprecedented loneliness and isolation Brian s journey shows how art can be a vital bridge to community in surprising places Conventional wisdom says Americans don t want to talk to each other but according to this poet for hire everyone is just dying to be heard Thought provoking moving and eye opening The Poetry of Strangers is an unforgettable portrait of America told through the hidden longings of one person at a time by one of our most important voices today The fault lines and conflicts which divide us fall away when we remember to look in every stranger for poetry
