FCC Record United States. Federal Communications Commission,2015 You've Been Played Adrian Hon,2022-09-15
How games are being harnessed as instruments of exploitation and what we can do about it Warehouse workers pack boxes while a virtual dragon races across their screen If they beat their colleagues they get an award If not they can be fired Uber presents exhausted drivers with challenges to keep them driving China scores its citizens so they behave well and games with in app purchases use achievements to empty your wallet Points badges and leaderboards are creeping into every aspect of modern life In You ve Been Played game designer Adrian Hon delivers a blistering takedown of how corporations schools and governments use games and gamification as tools for profit and coercion These are games that we often have no choice but to play where losing has heavy penalties You ve Been Played is a scathing indictment of a tech driven world that wants to convince us that misery is fun and a call to arms for anyone who hopes to preserve their dignity and autonomy

Calling Bullshit Jevin D. West,Carl T. Bergstrom,2020-08-04 A necessary book for our times But also just great fun Saul Perlmutter Nobel Laureate The world is awash in bullshit and we re drowning in it Politicians are unconstrained by facts Science is conducted by press release Start up culture elevates hype to high art These days calling bullshit is a noble act Based on a popular course at the University of Washington Calling Bullshit gives us the tools to see through the obfuscations deliberate and careless that dominate every realm of our lives In this lively guide biologist Carl Bergstrom and statistician Jevin West show that calling bullshit is crucial to a properly functioning social group whether it be a circle of friends a community of researchers or the citizens of a nation Through six rules of thumb they help us recognize bullshit whenever and wherever we encounter it even within ourselves and explain it to a crystal loving aunt or casually racist grandfather
