Administration I Exam 1Z0-133 Gustavo Garnica, 2017-12-15 Use this comprehensive guide to study for the Oracle WebLogic Server 12c Administration I Exam 1Z0-133. This book is a unique introductory resource to the WebLogic Server certification for new Oracle Fusion Middleware administrators and a valuable resource for veteran WebLogic Server administrators seeking to update their skills for the 12c certification topics. It is common sense that passing a certification exam requires a good command of the subject matter, understanding the intricacies surrounding its practice, and having sufficient experience working with the concepts. This book aims to accelerate the process by providing an accurate review of all exam topics, suggesting hands-on practices to gain or reinforce experience working with WebLogic Server and introducing questions to help candidates become familiar with the format and style of questions found on the actual certification exam. Oracle WebLogic Server 12c Administration I Exam 1Z0-133 covers the associate level certification with Oracle. Although not dedicated to exam 1Z0-599, the guide is also a valuable foundational resource for those preparing for WebLogic Server 12c implementation specialist level certification. This book inspects the certification topics in the order that you would likely follow in an on-the-job middleware infrastructure project. It is a great resource for candidates preparing for the certification who are unable to start with live or personally assisted training. It is a great starting point for those pursuing advanced Oracle WebLogic Server certifications. What You'll Learn: Cover all topics on the certification exam 1Z0-133. Become familiar with the types and format of questions on the certification exam. Understand and properly describe Oracle WebLogic Server domains.

and clusters Install configure maintain and monitor Oracle WebLogic Server Deploy and manage applications on Oracle WebLogic Server Discover how to use new administration features of Oracle WebLogic Server 12c Who This Book Is For Certified Oracle WebLogic administrators seeking to update their Oracle WebLogic Server credentials as well as experienced WebLogic Server administrators seeking to earn certification for the first time Non Oracle administrators seeking to earn a WebLogic Server certification will also find this book useful

The book provides information covering all of the exam topics for the Oracle certification exam 1Z0-053 Oracle Database 11g Administration II. The books in the Oracle Certification Prep series are built in lockstep with the test topics provided by Oracle Education's certification program. Each book is intended to provide the information that will be tested in a clean and concise format. The guides introduce the subject you'll be tested on, follow that with the information you'll need to know for it, and then move on to the next topic. They contain no drills or unrealistic self tests to bloat the page count without adding value. The series is intended to provide a concentrated source of exam information that is compact enough to be read through multiple times. This series is ideal for experienced Oracle professionals that are familiar with the topic being tested but want a means to rapidly reinforce their existing skills and bridge any gaps in their knowledge. It is also an excellent option as a second source of information for candidates pursuing certification. **Oracle Database 11g A Beginner's Guide** Ian Abramson, Michael Abbey, Michael J.
