## **Organizational Communication Approaches And Processes:**

**Organizational Communication** Peter K. Manning,1992-01-01 This book discusses the semiotic and ethnographic bases for organizational analysis including the related fieldwork issues confronting the investigator It explains the importance of rhetorical dramaturgic and phenomenological strategies for the study of organizations The arbitrary and culturally based connections in which organizations abound require an understanding of the particulars of cultural scenes first observed later conceptualized through semiotic theory Organizational Communication includes a series of examples from applied semiotics research in nuclear regulatory policy making truth telling regulatory control by among others the police and risk analysis These data provide the basis for a critique of the limits of earlier analyses of organizational change such as those offered by structuralist theories Dr Manning concludes with an assessment of the postmodernist ethnographic strategies that have evolved as a response to a larger representational crisis and of the implications of these strategies for the study of organizational culture    **Organizational Communication** Katherine Miller,2002-08 Miller s text presents organizational communication from both a communication and managerial perspective Her writing style and consistent use of examples and case studies results in a text that undergraduates students will find easy to understand

*Organizational Communication: Participation, power, and gender* Linda Putnam,Kathleen J. Krone,2006 Covering the fundamental theories of organizational communication studies this collection focuses in particular on the development of the field through articles that influenced agenda setting and charts the course of the research **Organizational Communication Approaches to the Works of Joss Whedon** Andrew F. Herrmann,2019-12-02 In Organizational Approaches to the Works of Joss Whedon Andrew F Herrmann offers an in depth analysis of the connections between

communication organization gender discourse and ethics in the works of Joss Whedon Herrmann examines how characters go to work in organizations how characters fight against organizations and how some organizations themselves are characters Whedon's works offer both popular and scholarly appeal often including portrayals of organizations such as The Union of Allied Planets in Firefly and Serenity and S H I E L D in The Avengers and Agents of S H I E L D Herrmann argues that by looking at how Whedon portrays these organizations including the ways in which employees are impacted by their organizations and how decision making is affected by gender masculinity and economic discourses we can gain fresh insights into our own working lives Scholars of film studies organizational communication gender rhetoric and ethics will find this book particularly useful Communication Catalog 2005 Neil Thomson,2004-09

### **Organizational Communication**

Katherine Miller,1999 From historical and contemporary perspectives to the processes of organizational communication this book offers comprehensive coverage including current material on the field's burgeoning research and new technology You'll read about stress and burnout diversity management and many other critical issues in organizational communication Author Katherine Miller offers case studies and other tools to help you think critically about what you read and make your own decisions **Communication Between Cultures** Larry A. Samovar,Richard E. Porter,2001 This book gives readers an understanding and appreciation of different cultures and provides them with the practical skills for improving their communication with people from other cultures It provides excellent motivation for students through numerous compelling examples that force them to examine their own assumptions and cultural biases
