Steve Duck, David T. McMahan

Organizing Relationships Traditional And Emerging Perspectives On Workplace Relationships:

Organizing Relationships Patricia M. Sias, 2009 **The SAGE Handbook of Organizational Communication** Linda L. Putnam, Dennis K. Mumby, 2013-11-04 Organizational communication as a field of study has grown tremendously over the past thirty years This growth is characterized by the development and application of communication perspectives to research on complex organizations in rapidly changing environments Completely re conceptualized The SAGE Handbook of Organizational Communication Third Edition is a landmark volume that weaves together the various threads of this interdisciplinary area of scholarship This edition captures both the changing nature of the field with its explosion of theoretical perspectives and research agendas and the transformations that have occurred in organizational life with the emergence of new forms of work globalization processes and changing organizational forms Exploring organizations as complex and dynamic the Handbook brings a communication lens to bear on multiple organizing processes **Origins, Traditions, and Trends of Organizational Communication** Anne M. Nicotera, 2025-09-30 The second edition of *Origins Traditions and Trends of Organizational Communication* provides an updated overview of organizational communication assessing the field to date and demonstrating a communicational approach to the study of organization Tracing the field s history and development to the present this edition is framed by the recent anti racist decolonial turn in the field offering a set of conceptual structures and vocabularies to facilitate appreciation of the field s literature grounded in an understanding of its biases It again provides students with background knowledge of foundational management theories in order to understand their influence on our thinking and our organizational world Literature reviews on focused topics written by experts link organizational communication theory and research to practice This edition is an ideal text for graduate courses in organizational communication and communication history Online support materials for instructors include an instructor s manual with key discussion questions and suggested activities Access the support materials at www.routledge.com 9781032775388 **Organizational Communication Theory and Research** Vernon D. Miller, Marshall Scott Poole, 2024-07-01 The *Handbook of Organizational Communication Theory and Research* offers concise but thorough reviews of important research on traditional and emerging areas in organizational communication Section One Theory and Methods provides an overview of the field s history prominent theories and methodologies Section Two Processes focuses on primal processes such as leadership organizational entry conflict power and inclusion Section Three Contexts focuses on the settings where organizational communication occurs including teams and workgroups networks and organizational structure Section Four Technology considers the development and introduction of new media and intelligent technologies into organizations The final section Emerging Areas addresses communication issues associated with changing environmental social and political upheavals including wellness corporate social responsibility and crisis response The *Handbook of Organizational Communication Theory and Research* covers topics of pressing interest to current scholars and practitioners

many of which have not been addressed in previous handbooks

The International Encyclopedia of Organizational Communication, 4 Volume Set Craig Scott, Laurie Lewis, 2017-03-06 The International Encyclopedia of Organizational Communication offers a comprehensive collection of entries contributed by international experts on the origin evolution and current state of knowledge of all facets of contemporary organizational communication Represents the definitive international reference resource on a topic of increasing relevance in a new series of sub disciplinary international encyclopedias Examines organization communication across a range of contexts including NGOs global corporations community cooperatives profit and non profit organizations formal and informal collectives virtual work and more Features topics ranging from leader follower communication negotiation and bargaining and organizational culture to the appropriation of communication technologies emergence of inter organizational networks and hidden forms of work and organization Offers an unprecedented level of authority and diverse perspectives with contributions from leading international experts in their associated fields Part of The Wiley Blackwell ICA International Encyclopedias of Communication series published in conjunction with the International Communication Association Online version available at Wiley Online Library Awarded 2017 Best Edited Book award by the Organizational Communication Division National Communication Association

Origins and Traditions of Organizational Communication Anne M. Nicotera, 2019-06-14 Origins and Traditions of Organizational Communication provides a sophisticated overview of the fundamentals of organizational communication as a field of study examining the field s foundations and providing an assessment of the field to date explaining and demonstrating a communicational approach to the study of organization It provides a set of literature reviews on focused topics written by experts in each area and links organizational communication theory and research to practice In reviewing foundational management theory the book analyzes how early to mid 20th century management theories shaped contemporary organizations providing students both with background knowledge of these foundational theories and an understanding of their influence on our thinking and our organizational world Written at an accessible level for early graduate students yet still sophisticated enough for doctoral students the book is ideal for students and teachers of organizational communication and communication history Downloadable ancillary materials include chapter PowerPoints and a set of instructors materials containing chapter abstracts glossaries discussion questions annotated supplementary readings lists and practitioners corners Please visit www.routledge.com/9781138570313

Workplace Communication Leena Mikkola, Maarit Valo, 2019-11-14 This book provides insights into communication practices that enable efficient work successful collaboration and a functional work environment Maintaining a productive and healthy workplace is predicated on interpersonal communication between people In organizations efficient communication is the foundation of all actions Contributors to this book cover communication issues in relationships teams meetings leadership competence diversity organizational entry social support and digital environments in the workplace The book illustrates all these issues in detail by
