Congressional Record United States. Congress, 1977 **Handbook of Research in Education Finance and Policy**
Helen F. Ladd, Edward B. Fiske, 2012-08-21 Sponsored by the Association for Education Finance and Policy AEFPP this groundbreaking new handbook assembles in one place the existing research based knowledge in education finance and policy thereby helping to define this evolving field of research and practice It provides a readily available resource for anyone seriously involved in education finance and policy in the United States and around the world The Handbook traces the evolution of the field from its initial focus on school inputs and the revenue sources used to finance these inputs to a focus on educational outcomes and the larger policies used to achieve them It shows how the current decision making context in school finance inevitably interacts with those of governance accountability equity privatization and other areas of education policy Because a full understanding of the important contemporary issues requires input from a variety of perspectives the Handbook draws on contributors from a variety of disciplines While many of the chapters cover complex state of the art empirical research the authors explain key concepts in language that non specialists can understand **Higher Education Resourcing Higher Education in the Flemish Community of Belgium** OECD, 2021-12-06 The report on Resourcing Higher Education in the Flemish Community of Belgium is the first in a series of publications produced by the OECD s Resourcing Higher Education Project This project aims to develop a shared knowledge base for OECD member and partner countries on effective policies for higher education resourcing through system specific and comparative policy analysis
