Clearing the Air Tim Smedley, 2021-01-26 Read this book and join the effort to terminate air pollution Arnold Schwarzenegger 38th Governor of California The story of what s happened to the air we breathe the impact it has had on our health and what we can do to fight back *Clearing the Air* tells the full story of what s happened to the air we breathe Sustainability journalist Tim Smedley explains exactly what air pollution is which chemicals are the dangerous ones and where they come from He interviews the scientists and politicians at the forefront of air pollution research as well as those whose lives have been affected by smog This groundbreaking book reveals the extreme instances of air pollution that have happened around the world including London Beijing Delhi and LA as well as examining recent stories like the VW diesel scandal Globally 18 000 people die each day from air pollution For the most part air pollution is anonymous an invisible killer borne from the cars in our driveways and the industrial processes used to make stuff but there is so much we don t know Parents on the school run in their 4x4s have never been told that the pollution inside the car is 5 times worse than that on the street outside or that studies show how air pollution stunts lung growth in children Around the world more than eight out of ten people who live in cities breathe in concentrations of air pollutants that exceed international air quality guidelines The annual number of deaths 6.5 million is far greater than those from HIV AIDS tuberculosis malaria and car crashes combined and it is getting worse These problems can be solved and the message of the book is positive The overwhelming majority of air pollutants are local short lived and can be stopped at source the benefits to health instant and dramatic There are many stories that show how the fightback against air pollution can and does work and we can all play a part to clear our air

The Model Engineer and Electrician , 1903 *The New Patriarchs of Digital Capitalism* Ben Little, Alison Winch, 2021-06-23 This book offers an original critique of the billionaire founders of US West Coast tech companies addressing their collective power influence and ideology their group dynamics and the role they play in the wider sociocultural and political formations of digital capitalism Interrogating not only the founders political and economic ambitions but also how their corporations are omnipresent in our everyday lives the authors provide robust evidence that a specific kind of patriarchal power has emerged as digital capitalism s mode of command The *New Patriarchs* examined over the course of the book include Sergey Brin and Larry Page of Google Elon Musk of Tesla Jeff Bezos of Amazon Mark Zuckerberg of Facebook and Peter Thiel We also include Sheryl Sandberg The book analyses how these mostly men legitimate their rapidly acquired power tying a novel kind of socially awkward but visionary masculinity to exotic forms of shareholding Drawing on a ten million word digital concordance the authors intervene in feminist debates on patriarchy masculinity and postfeminism locating the power of the founders as emanating from a specifically racialised structure of oppression tied to imaginaries of the American frontier the patriarchal household and settler colonialism This is an important interdisciplinary contribution suitable for researchers and students across Digital Media Media and Communication and
