America, the Owner's Manual

Bob Graham, Chris Hand, 2016-07-15 In 2016 Americans fed up with the political process vented that frustration with their votes Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade Democrats nearly selected a self-described socialist who ran on a populist platform against the influence of big money in politics While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual the truth is that we don't have to pin our hopes for greater participation on any one candidate All of us have a say if we learn, master, and practice the skills of effective citizenship One of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can't fight City Hall That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn't care what people like them thought Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles They describe effective citizenship skills and provide tips from civic experts Even more importantly they offer numerous examples of everyday Americans who have used their skills to make democracy respond The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy By the end of the book you will have new confidence that citizen participation is the

The Poetry of Strangers Brian Sonia-Wallace, 2020-06-30. It might surprise you who's a fan of poetry when it meets them where they are. Before he became an award winning writer and poet Brian Sonia Wallace set up a typewriter on the street with a sign that said Poetry Store and discovered something surprising all over America people want poems. An amateur busker at first Brian asked countless strangers What do you need a poem about? To his surprise passersby opened up to share their deepest yearnings loves and heartbreaks. Hundreds of them. In *The Poetry of Strangers* Brian tells the story of his cross country journey in a series of heartfelt and insightful essays. From Minnesota to Tennessee California to North Dakota Brian discovered that people aren't so afraid of poetry when it's telling their stories. In dying towns flourish vibrant artistic spirits and fascinating American characters who often pass under the radar from the Mall of America's mall walkers to retirees on Amtrak to self proclaimed witches in Salem. In a time of unprecedented loneliness and isolation Brian's journey shows how art can be a vital
