would shape modern Ireland Born into a respected Irish Anglo family in 1860 Charles loves his native land and its long suffering but irrepressible people As a healer he travels the countryside dispensing traditional cures while soaking up stories and legends of bygone times and witnessing the painful often violent birth of land reform measures destined to lead to Irish independence At the age of forty summoned to Paris to treat his dying countryman the infamous Oscar Wilde Charles experiences the fateful moment of his life In a chance encounter with a beautiful and determined young Englishwoman eighteen year old April Burke he is instantly and passionately smitten but callously rejected Vowing to improve himself Charles returns to Ireland where he undertakes the preservation of the great and abandoned estate of Tipperary in whose shadow he has lived his whole life and which he discovers may belong to April and her father As Charles pursues his obsession he writes the History of his own life and country While doing so he meets the great figures of the day including Charles Parnell William Butler Yeats and George Bernard Shaw And he also falls victim to less well known characters who prove far more dangerous Tipperary also features a second historian a present day commentator a retired and obscure history teacher who suddenly discovers that he has much at stake in the telling of Charles s story In this gloriously absorbing and utterly satisfying novel a man s passion for the woman he loves is twinned with his country s emergence as a nation With storytelling as sweeping and dramatic as the land itself myth fact and fiction are all woven together with the power of the great nineteenth century novelists Tipperary once again proves Frank Delaney s unrivaled mastery at bringing Irish history to life Praise for Tipperary The narrative moves swiftly and surely A sort of Irish Gone With the Wind marked by sly humor historical awareness and plenty of staying power Kirkus Reviews Another meticulously researched journey Delaney s careful scholarship and compelling storytelling bring it uniquely alive Highly recommended Library Journal starred *101 Irish Lives* John Chambers,1992 *The Tammany Times* ,1897 **IRA Man** Douglass McFerran,1997-10-28 This is the compelling story of a former Jesuit who traveled to Ireland in order to better understand the IRA its widespread support among Irish Catholics and the country s continuing civil unrest Author Douglass McFerran an American made many key contacts in Northern Ireland enabling him to gain unprecedented access to republican groups He met with members of the Orange Lodge and the heavily armed Royal Ulster Constabulary he had tea with leaders of Sinn Fein and he participated in the annual Internment March on the streets of Belfast In this book he provides a history of the conflict in Northern Ireland and goes beyond the propaganda on both sides to understand the causes of today s violence and explore what would be necessary to end it McFerran wrote this book at the suggestion of individuals within the Irish republican community During its writing he had the cooperation of several Sinn Fein leaders and past and present members of the IRA McFerran came to believe that the violent situation in Northern Ireland can best be explained by considering the manner in which the English government through genocide and civil repression attempted to eliminate Irish resistance to English rule The failure of the Anglo Irish War to achieve a united Irish government brought on a republican movement with a political expression in Sinn

Fein and a military expression in the guerrilla activities of the Irish Republican Army The continued failure of the English government to negotiate with Irish nationalists can be attributed to a desire to maintain the political support of predominantly Protestant unionists who since 1913 have pledged armed resistance to any effort to allow a Catholic led government to rule over them *The Crane Bag* ,1977 **Harry Boland** Andrew Brasier,John Kelly,2000 *The Clean Sweep* Arthur Webb,1968 **Our Ten Weeks Strike** George Eliel SARGENT,1878
