The Silver Lining Encounters with Angels Phoebe Walker, 2015-09-28 This is a motivational inspirational book about one woman's life journey. It is her personal walk with Christ through significant life trials and how she used what she learned to help others in their own trials. The book is full of excitement and emotion that will keep you on the edge of your seat and versatile enough to cover a multitude of topics and demographics. Everyone goes through hardships and trials. In fact, we spend the majority of our life journey attempting to either resolve or avoid these struggles. However, it is not the depth of the situation that determines our ability to successfully walk through them; it is our mindset. We must believe we can do it. More than that, we must have a willingness to be active participants in our victories, no matter how small our effort, and accept help from the outside to achieve each victory. In this book, the outside help is referred to as silver linings. I hope this book helps you to identify your own silver linings as a life line to get you through your struggles.

**The Last Days** Leatrice Re'nee Crisler-Draper, 2010-04 This book gives you revelation concerning the last days and exposes Satan and his agenda, his motives, and his strategies to destroy all mankind. This book helps you to see and to know Jesus Christ for who He is, which is the Son of God, the God of restoration and eternal life. It also helps you to recognize and to know Satan for who he really is, which is the god of death and destruction. You're not in this world alone. God will never leave you or forsake you. He will be with you till the end of time. This book will encourage you, edify you, and give you wisdom and instructions on how to release your ministering angels to fight for you, aid you, protect you, and to work for you. The angels of God are sent here to bring you into your wealthy place, which God has prepared for you, to help you reign and to walk in the realm of fulfillment and to fulfill your destiny.

**Real-Life Ghost Encounters** Jeff Belanger, 2013-07-15 People love to share their personal encounters with ghosts and other spooky subjects. There are hundreds, if not thousands, of stories of ghost encounters on the Internet. This volume delves deep into some of the most famous stories of all time and some lesser-known tales to get the scoop on what really happened. The interview format makes for a unique reading experience and allows those telling the stories to be heard in their own words.

**An Angel to Watch Over Me** Joan Wester Anderson, 2012-03-01 Children are known to have wild imaginations, which explains why their stuffed animals talk and invisible friends get invited to tea parties. So it's no wonder that when a child reports a personal encounter with an angel, adults tend to dismiss it with a wry smile and say, "That's nice."

sweetie Why don't you go outside and play But Joan Wester Anderson says not so fast If Jesus himself taught that the kingdom of heaven belongs to children there's no reason in the world not to believe that God can reveal his love to little ones through angels In *An Angel to Watch Over Me* originally published by Random House in 1994 with sales of 150 000 copies Anderson shares more than 30 stories of children's experiences with celestial beings from a boy whose angels help him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home From angels who combat evil and darkness to angels who bring news of comfort and joy each of these accounts is grounded in traditional Christian belief eschewing any New Age interpretation of the events For all who are open to the possibility that even children can have authentic spiritual lives and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers this book is sure to stir the soul and fan the faith *My Third Encounter with an Angel* Sidney Schwartz, Carl R. Hewitt, 2015-01-11 *My Third Encounter with an Angel* is the final book of the trilogy and brings Awan's teachings full circle Awan's first teaching thoroughly disturbed the author Religious leaders have altered the Bible for their own purposes They have inserted laws into the book and claimed they were God's laws Priests wanted these laws in place to create fear and to control the masses In this book the author provides corroborating evidence which completely proves Awan's statement It was important to Awan that he unbraided history to reveal the origin of homosexuality Awan wanted to prove that homosexuality is not a choice and explained why some people are born gay Once again the author was able to find evidence which proved Awan's controversial theory *My Third Encounter with an Angel* also examines how Christianity began as a religion of peace which practiced mediumship during its church services then morphed into a religion of suppression and violence Along its journey to become the only religion in Europe Christians persecuted four groups of people During the Late Middle Ages these groups were braided together tortured and finally executed Women were branded as witches male mediums branded as homosexuals and or Satanists The Jews were braided in with these groups and all of them were burned alive at the stake The Church wrote doctrine after doctrine which eventually made the distinctions between women homosexuals mediums and Jews invisible This braid of destiny has caused these groups to be the scourge of western society and vestiges of this animosity still exist today *The Fire Is Coming* W Zephania, 2021-05-11 *The Fire Is Coming* is an inspirational book following an intense dream I had designed to prepare Christians for a move of God involving the Holy Spirit and Fire about to come **Angel Encounters** Karen Goldman, 1995 In her third volume of magical prose and poetry about the messengers of God who encourage us when we are down acknowledge us when we are at our best and lift up our souls Goldman collects the true stories of people of all ages who have had encounters with angels here on Earth Color illustrations **The Holy Bible ...
