 Exclusively available on IvyPanda

## Introduction

While regarding and analyzing the issues of the race, gender and reproduction, it would be relevant to refer to American burgeoning novelist - Ruth Ozeki, who has been expressly noted for her valiant efforts in favor of cultural as well as social causes, and to refer to her primary creative novel “My Year of Meats” (1998). Following the topic under consideration, it is necessary to say that this highly committed novelist’s major concerns and ideas define her writing style and, thus, explicitly affirm her strong and valuable social outlook in her works.

## Discussion

The novel of the interest - “My Year of Meats” unequivocally represents some most fundamental aspects of modern American life – race, reproduction, and gender. In this regard it is significant that the novelist, through the bi - racial Asian American woman character signed up to produce documentaries on American white - bread families for the Japanese market, connects to some important questions such as racial and national identity, the issues related with reproduction, and gender.

In her attempt to make reader get the message of her concern, Ruth Ozeki centers on the issues concerning human health, especially women’s reproduction, in a racial and cultural context. That is to say, “the novel links modes of production that shape our experience (meat and media) in order to address the critical role that race and racism play in reproduction.” (Sheffer, 2008). A close reading of the novel unambiguously confirms this attempt of the novelist as she skillfully and creatively uses the original Japanese American character Jane who is six-foot-tall, green-haired rebel for such an effect. The character who identifies as “polysexual, polyracial, and perverse” and speaks “men’s Japanese” is an obvious illustration of the novel’s concern for the questions of race, reproduction, and gender. (Ozeki, 1998, p. 9).

**My Year of Meats** Ruth Ozeki, 1998 Jane Takagi Little lands a job producing a Japanese television show sponsored by an organization promoting the export of U.S. meats and takes her crew on the road in search of all American wives cooking all American meat

**Global Appetites** Allison Carruth, 2013-05-31 Global Appetites explores how industrial agriculture and countercultural food movements underpin US conceptions of global power in the century since the First World War. Allison Carruth's study centers on what she terms the literature of food a body of work that comprises literary realism, late modernism and magical realism along with culinary writing, food memoir and advertising. Through analysis of American texts ranging from Willa Cather's novel *O Pioneers!* 1913 to Novella Carpenter's non-fiction work *Farm City* 2009, Carruth argues that stories about how the United States cultivates, distributes and consumes food imbue it with the power to transform social and ecological systems around the world. Lively and accessible, this interdisciplinary study will appeal to scholars of American literature and culture as well as those working in the fields of food studies, food policy, agriculture history, social justice and the environmental humanities

**The Australasian Pastoralists' Review**, 1893     *The Sexual Politics of Meat* Carol J. Adams, 2000 New Tenth Anniversary edition of this classic text with a new preface by the author compares myths about meat eating with myths about manliness and seeks to explore the literary, scientific and social connections between meat eating, male dominance and war

*My Year of Meats* Ruth Ozeki, 2011-11-04 I had started my year as a documentarian. I wanted to tell the truth to effect change to make a difference. And up to a point I had succeeded. I am haunted by all the things, big things and little things that threaten to slip through the cracks, untold out of history. In a single eye-opening year, two women worlds apart experience parallel awakenings. As Jane Tagaki Little researches the consumption of meat in the American home for Japanese docu-soap *My American Wife*, she begins to realise that her ruthless search for a story is deeply compromising her morals. Meanwhile, in Tokyo, housewife Akiko Ueno is diligently preparing the recipes from Jane's programme, struggling to please her husband and increasingly doubting her commitment to the life she has fallen into. And as Jane and Akiko battle dangerously to assert their individuality, *My American Wife* draws them together in a startling story of strength, courage, love and meat
