My Imaginary Girlfriend:

My Imaginary Girlfriend Aaron Zevy,2025-05-20 The acclaimed humorist treats his audience to a collection of wonderfully surreal tales and imaginings From Sci Fi a la Seinfeld in Ronnie 2 0 to blurred lines meta in the title story and others this collection tilts the balance of Zevy s trademark truth fiction blend decidedly closer to fiction to delightful effect

My Imaginary Girlfriend Conjure,2016-12-24 How simple it is when we would meet a person fall in love and that s it When both are ready to spend their entire lives together without keeping any room for complaints and complications The sky over the head remains clear like a never ending spring and suddenly a day comes when it fills up with unexpected thunder and lightning out of nowhere The possibilities that we had never taken into consideration start occupying our lives and by the time we gather the strength to battle it out it s over You lost the game that s how destiny plays it the cheater Published by 2017 MeetGoogle All Rights Reserved and millions of readers around the world

Wings of Red James W. Jennings,2023-11-21 An inventive and stylish debut written by a Black educator Wings of Red is a clear eyed funny imperfect and observant work of autofiction that grapples with the absurdity of the New York City educational system as a substitute teacher that in the end reads as an ode to the city itself June Papers is a twenty eight year old MFA grad with a felony record the classic young Black and gifted American misfit He s also a substitute teacher He s also homeless With dreams of becoming a writer June endures a host of trials and dilemmas as he reluctantly realizes mentoring and teaching might actually be a path forward for him Wings of Red is driven by June s unique narrative style a propulsive voice that intimately and vulnerably guides readers through the condemned external reality of a Black educator s personal and professional world falling apart and coming together again Populated by a host of true to life characters who are attempting to realize their dreams despite precarious professional and financial realities Wings of Red elucidates the fallacy of the American dream while serving as a reminder of how powerful and necessary autofiction can be Directed at students and educators but written for any audience Wings of Red is an inspiring and poetic tour de force and an unexpectedly necessary ode to New York City that features a texture velocity and immediacy that speaks to the author s authentic and lived perspective

The Butterfly Trap Dennis Jon,2017-03-09 In hindsight maybe fluttering off the tour guide s red line wasn t such a good idea But Jon has neither hindsight nor foresight as his vacation unfolds in real time Acting without consequence he discovers that real life is funnier crazier and more interesting than fiction as he encounters crooked tour guides transvestite karaoke stars restroom massage gangs and angels not with wings and halos but g strings and high heels

change purakpa ama You can escape from the society if they are pushing you away or you can be the one who brought changes to the society It was my sister s words that brought me here It was one of the painful nights that I went through and it still hurts to write about it Growing up in a middle class family as the youngest child among 5 I received the love in all forms I grew up playing with the boys and it wasn t a surprise to everyone when they found out that I had a girlfriend because I was always a boy and there were no surprises of me coming out Of course like everyone else they tried to stop me from becoming myself when I was young I mean who would happily accept when their sweet daughter is becoming a son And at school since I didn t know how to wear the school uniform which is Phanek traditional wrap around for women my grandmother had to tie the ends so that it won t fall off and would untie it when I came back from school for four years I can t imagine that I had my bathroom schedule so tight that I never peed for 8 hrs And I don t fit in the category or my character doesn t tick the box where the society sets for the transmen that they should be good at sports I m the total opposite I m a writer as I tag myself with a very sensitive heart and I like to think of myself as a romantic guy I like the idea of being in love and waiting for her with flowers or watching the sunrise together or holding her hand while driving to a quiet place we only know or the art of writing love But when I found the person who shared everything I wanted I was smashed right in the face I kept questioning myself and for a while I was lost All the while I was blaming society I realized that we couldn t make everyone in the whole world accept us but there are people who do and that s it And thanks to all the books that I ve read that put words on my subconscious that success is not just about winning it s about losing too but most importantly it s about how the Phoenix rises from the ashes And I found myself again and this time I was already fit in my idea of success Back then my definition of success was to live financially free but now it changed And this time it all makes sense I was becoming myself and no amount of money would make me that happy when I had my first shot of Testosterone You have no idea how happy I was when my voice broke down for the first time And no one would make me that happy when I saw these teeny tiny beards growing up I finally started getting comfortable with my body and I realized success is not about the number of digits in my account or the number of security personnel walking next to me or the number of cars or the fame It s about how I perceived myself how I think of myself and The Art Of Becoming Myself That is my definition of success and this is my success story And my story is not a complaint or resentment towards the society that I went through shit I m just trying to show you how we feel about things and after all you and I are human beings I m just trying to prove that we are normal people with feelings and emotions like you guys have I want the world to know that we have a heart that can love someone too **PRAYER POWER** Daniel Okorie,2024-11-18 HOW DO YOU SAY EFFECTIVE PRAYERS GET QUICK ANSWERS AND OVERCOME THE ENEMY When the intensity of your prayer rises above the boiling point in the Spirit what you can do becomes limitless God wants us to excel prosper overcome the enemy and become victorious in our prayer lifestyle The book you are reading details 7 steps on how to overcome the enemy in every area of your life Brother Daniel Okorie also explains
