*My Losing Season* Pat Conroy, 2002-10-15 Dedicated to teammates on the 1966 67 Citadel basketball team **On the Eighth Day** Matt Hoven, J. J. Carney, Max T. Engel, 2022-06-07 During a 1980s Edmonton Oilers game fans unveiled a banner claiming On the 8th day God created Gretzky Intersections between religious belief and sporting participation are nothing new where players coaches and fans are known to pray cross themselves and point to the heavens during a game But what

should be the relationship between sports and religious faith On the Eighth Day introduces the theology of sport from a Catholic standpoint It wrestles with sport s universal appeal its rich symbolism and its spiritual and moral characteristics Sport is a place where embodied games can be sacramental where traditions of the past speak to contemporary peoples and where truth and justice are demanded in a world affected by sin The eighth day recalls the playful re creative work of God the Creator embodied in Christ s resurrection In this sense this book marks out a new day in Christian attitudes toward modern sport and the continuing call to redeem sport in service of human flourishing Comprehensive yet accessible the book will engage thoughtful lay sports fans and academic students alike     *Understanding Pat Conroy* Catherine Seltzer,2015-04-15 An insightful look at the life and work of the extraordinary popular Southern writer Pat Conroy s novels and memoirs have indelibly shaped the image of the South in the American imagination His writing has rendered the physical landscape of the South Carolina lowcountry familiar to legions of readers and has staked out a more complex geography as well one defined by domestic trauma racial anxiety religious uncertainty and cultural ambivalence In *Understanding Pat Conroy* Catherine Seltzer engages in a sustained consideration of Conroy and his work The study begins with a sketch of Conroy s biography which while fascinating in its own right is employed here to illuminate many of the motifs and characters that define his work and to locate him within southern literary tradition Seltzer then explores each of Conroy s major works tracing the evolution of the themes within and among each of his novels including *The Great Santini* *The Lords of Discipline* *The Prince of Tides* *Beach Music* and *South of Broad* and his memoirs among them *The Water Is Wide* and *My Losing Season* Seltzer s insightful close readings of Conroy s work are supplemented by interviews and archival material shedding new light on the often complex dynamics between text and context in Conroy s oeuvre More broadly *Understanding Pat Conroy* explores the ways that Conroy delights in troubling the boundaries that circumscribe the literary establishment and links his work to existing debates about the contemporary American canon     *Fortune* Henry Robinson Luce,2002     **Aethlon** ,2004 The journal of sport literature     *The Encyclopedia of Sports Parenting* Dan Doyle,2013-08-01 For more than a decade former basketball coach Dan Doyle has been traveling the country speaking to student athletes and their parents about their involvement in and dedication to every sport imaginable As founder and executive director of the Institute of International Sport at the University of Rhode Island Doyle has attended his fair share of sporting events and has heard countless stories about confrontations taking place on and off the court between coaches players parents and even fans As the years passed Doyle gathered everything he d learned and heard and joined forces with Deborah Doermann Burch a former schoolteacher and parenting expert to write *The Encyclopedia of Sports Parenting* Together they surveyed more than 500 successful sports figures to gain additional insight into what parents can do to guide their children through the competitive sometimes disheartening though oftentimes rewarding world of sports In this book parents will learn how to express themselves in various challenging situations including learning that their children have been cut from teams have become victims of team
