Nicole Treadwell,2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it s true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a

dangerously ambitious judge in the Nation's Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she's afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can't save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chum and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole's boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole's harmless solution Their former friendship on course to self-ignite or implode sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter-sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late

Loves Redemption Brenda Davis, 2022-12-27 Nancy Blackwell and her daughter Sarah were starting a new life One that would be free from all the bad memories of a failed marriage Moving in with Nancy's sister was the first chapter But Sarah getting hit by a hit-and-run driver was not part of the plan at all Where was God when she needed him the most Just because there was a handsome doctor who saw the whole thing didn't mean that God was there all the time did it After losing his wife and young daughter to a drunk driver Marc Carter couldn't believe he was seeing another little girl laying unresponsive on the pavement from a hit-and-run Praying the entire time he rushed to her side He was determined with God's help that this little girl would live to grow up Sarah knew God had told her everything was going to be all right with her mommy And when God said something she knew he never forgot a promise When she saw Dr. Angel Sarah knew God was right and she was determined her mommy would love God again as soon as Sarah could get her to see the angel in her life was straight from heaven

Holly, 2002-04-19 Reginald Reynolds the Preacher's Kid recalls his childhood in a nostalgic return to the innocence of life in 1970s rural Texas His recollections are rife with humor wit charm and a certain foreboding Over the brilliance of his all-American childhood hangs the dark shadow of death Reg and his best pal Gib engage in memorable adventures as each is

De Rosa, 2012-02-01 Deborah C De Rosa examines the multifaceted nature of domestic abolitionism a discourse that nineteenth century women created to voice their political sentiments when cultural imperatives demanded their silence For nineteenth century women struggling to find an abolitionist voice while maintaining the codes of gender and respectability writing children's literature was an acceptable strategy to counteract the opposition By seizing the opportunity to write abolitionist juvenile literature De Rosa argues domestic abolitionists were able to enter the public arena while simultaneously maintaining their identities as exemplary mother educators and preserving their claims to femininity Using close textual analyses of archival materials De Rosa examines the convergence of discourses about slavery gender and children in juvenile literature from 1830 to 1865 filling an important gap in our understanding of women's literary productions about race and gender as well as our understanding of nineteenth century American literature more generally **Comfort** ,1891 *The Christian Witness and Advocate of Bible Holiness* ,1899 Outlook Alfred Emanuel Smith, Francis Walton, 1871 **The Publishers Weekly** ,2009 **The Family Churchman** ,1882-11 **Autobiography of William Wood** William Wood, 1895
