The Codependent Cure Lillian Findley, 2020-04-13 Love, care and concern make up the framework of our social interactions. Yet when taken beyond a certain limit they can become the source of emotional pain and mental stress. Are you a Codependent like I once was looking for answers no one seems to know? For the first 32 years of my life I was hopelessly codependent. A troubled childhood in a dysfunctional family set the tone for my marriage to a self-absorbed narcissist. From a young age I devoted myself to the service of those I loved. I had no choice anyway. I learned to keep silent and not discuss my problems. I learned to shunt my priorities aside in favor of helping others. I ran myself into the ground to keep the people around me happy. Yet I was hurt and hurt repeatedly by the same people I lived for. I made my life an extension of my husband's but I was never worth anything to him. I was emotionally bruised beyond recognition and still I burned to light the way even my help was not required. And then something monumental happened to me. It started with a chance meeting with a long lost friend at the mall and my first therapy session and ended in a divorce from the primary narcissist in my life. My husband wasn't the only thing I divorced though. I went through a complete transformation and rebuilt my emotional boundaries. I learned self-love and restocked my self-esteem levels. Today twenty years after my divorce I have helped hundreds of codependents make that same journey. Are you in a toxic relationship? Do you wish to regain control over your emotions and thoughts? Do you want to learn how to maintain healthy levels of self-esteem? Do you want to be free once again? In this book *The Codependent Cure* you can expect: My 5 proven steps for repairing your life.
