## Myanmar Blue S Free:

**RAF Liberators Over Burma** Bill Kirkness ,Matt Poole,2017-11-07 The RAF air war versus Japan in the Far East is grossly under represented in print the Kirkness memoir lessens this gap with its valuable contributionsThirty two combat ops may seem like too many to individually chronicle in a single memoir however each op s narrative is compellingly and uniquely presented and the cumulative result is that Kirkness final harrowing op is the most riveting of them allLavishly illustrated with previously unpublished photographs RAF wireless operator air gunner Bill Enoch Kirkness flew thirty two B 24 Liberator bomber sorties twenty eight of which were against Japanese targets in Burma He was credited with downing the night fighter that killed a crewmate and severely damaged his Liberator his aircraft s crash landing abruptly ending his first tour Bill was subsequently awarded a Distinguished Flying Medal His memoir of Wellington ferry flights Liberator training and ops with 159 Squadron typifies aspects of the human spirit which any young man immersed within such a conflict would have likely experienced Bill wore his heart not just his sergeant s stripes on his sleeve His story is a compelling dignified account of an average man s war from 1942 into 1944 in the UK the Mediterranean Africa and onwards through his first operational tour based in India Matt Poole an expert on 159 Squadron and RAF Liberator activities against the Japanese seamlessly enhances Bill s narrative with added historical detail Although Bill passed away in 1994 Matt vowed in retirement to help bring the memoir to a wider audience

[From Edinburg to India & Burma](#) W. G. Burn Murdoch,2022-04-06 Excerpt

Some time ago I wrote a book about a voyage in a whaler to the far south to a white silent land where the sun shines all day and night and it is quiet as the grave and beautiful as heaven when it is not blowing and black as the other place A number of people said they liked it and asked me to write again therefore these notes and sketches on a Journey to India and Burmah They may not be so interesting as notes about Antarctic adventure and jolly old Shell Backs and South Spaniers on a whaler but one journal ought at least to be a contrast to the other The first a voyage on a tiny wooden ship with a menu of salt beef biscuit and penguin to unsailed seas and uninhabited ice bound lands the other in a floating hotel with complicated meals and crowds of passengers to a hot land with innumerable inhabitants I trust that the sketches I make on the way will help out my notes when they are not quite King s English and that the notes will help to explain the sketches if they are not sufficiently academical for the general reader and moreover I fondly believe that any journal written in the East in these years of grace 1905 6 must catch a little reflected interest from the historic visit of their Royal Highnesses the Prince and Princess of Wales to India and Burmah
