began only after his brother's death Bill manages to convey that message an invitation to awaken to the experience of God in daily life and the impact it has had on countless people He reflects as well on the controversies that have dogged Tony's legacy including the surprising 1998 notification from the Vatican warning of dangers in deMello's work For all who have treasured Anthony's deMello's works this long awaited biography will be a great gift **The Thomas Merton**
