Standing up for a Sustainable World Claude Henry,Johan Rockström,Nicholas Stern,2020-12-25 The world has witnessed extraordinary economic growth poverty reduction and increased life expectancy and population since the end of WWII but it has occurred at the expense of undermining life support systems on Earth and subjecting future generations to the real risk of destabilising the planet This timely book exposes and explores this colossal environmental cost and the dangerous position the world is now in Standing up for a Sustainable World is written by and about key individuals who have not only understood the threats to our planet but also become witness to them and confronted them **Tesla Model S -**

Best Car Ever! Frank Van Gilluwe,2014 *Radical Product Thinking* R. Dutt,2021-09-27 Iteration rules product development but it isn't enough to produce dramatic results This book champions Radical Product Thinking a systematic methodology for building visionary game changing products In the last decade we've learned to harness the power of iteration to innovate faster we've invested in a fast car but our ability to set a clear destination and navigate to it hasn't kept up When we iterate without a clear vision or strategy our products become bloated fragmented and driven by irrelevant metrics They catch product diseases that often kill innovation Radical Product Thinking RPT gives organizations a repeatable model for building world changing products The key Being vision driven instead of iteration led R Dutt guides readers through the five elements of the methodology vision strategy prioritization execution and measurement and culture to develop a clear process for translating vision into reality and turning RPT skills into muscle memory This book offers refreshing solutions to the shortcomings of our current model for product development be prepared to toss out everything you know about a good vision and learn how to measure progress to create revolutionary products The best part You don't have to be a natural born visionary to produce extraordinary results **Cassier's Industrial Management and Mechanical Handling** ,1895 *All In* Robert Bruce Shaw,2020-07-07 Extraordinary leaders share a passionate

commitment to achieving their vision that borders and sometimes crosses the line into obsession All In shows why obsession if properly focused and managed is both necessary and productive Advances in any endeavor almost always depend on a small group of individuals who are completely consumed by the goal they're pursuing When these leaders and teams are successful everyone benefits from their obsessive nature This book explores the three obsessions underlying the achievements of the greatest leaders delighting customers building great products and creating an enduring company Author Robert Bruce Shaw takes you inside the success stories of iconic leaders and shows the upside of obsession plus the practices that support it including Jeff Bezos of Amazon Elon Musk of Tesla and Steve Jobs of Apple In All In Shaw teaches you why Amazon's first principle is customer obsession and the behaviors that sustain it as the firm becomes one of the largest in the world Tesla puts products at the center of everything it does and the leadership approach that created a revolutionary electric car Steve Jobs greatest creation was not the Mac or iPhone but Apple the company Shaw also provides insight into the dark side of obsession and its destructive potential as vividly illustrated in his case study of Uber's aggressive pursuit of growth during the tenure of CEO Travis Kalanick Appealing to any reader of entrepreneurial biographies All In shows individuals teams and organizations how to manage obsession's downsides while realizing the benefits of relentlessly seeking to create something that truly matters [Impact of digital transformation on business models in the automotive industry](#)
