**My Father Was a Freedom Fighter** Ramzy Baroud,2010-03-30 The frontline in the conflict between Israel and the Palestinians Gaza is constantly reported as a place of violence and terror Ramzy Baroud s memoir explores the daily lives of the people in that turbulent region the complex human beings revolutionaries mothers and fathers lovers and comedians who make Gaza so much more than just a disputed territory At the heart of Baroud s tale is the story of his father who driven out of his village to a refugee camp took up arms to fight the occupation while trying to raise a family [A Short History of the Gaza Strip](#) Anne Irfan,2025-08-28 The Gaza Strip is one of the most widely reported on regions in the world yet

misinformation about its history and its people abound In this vital book historian Anne Irfan explains Gaza s outsized political significance through six pivotal moments in its modern history beginning with Israel s expulsion of the Palestinian people upon its establishment in 1948 when the Gaza region was truncated to the strip we know today As she takes us through Israel s occupation of Gaza the Palestinian national struggle and formation of the PLO the first intifada the creation of the Palestinian Authority and the rise of Hamas she tackles widespread historical ignorance and untangles contradicting narratives Drawing on a decade of research Irfan weaves in the voices of everyday Palestinians from farmers and teachers to poets and activists Written with remarkable clarity and compassion [A Short History of the Gaza Strip](#) is an indispensable read for anyone seeking to understand Palestine today [Israel and the Gaza Strip Since 1967](#) Trude Strand,2026-02-19 Explains Israel s evolving domination and control of Gaza following the 1967 Arab Israeli War [The Muslim World Book Review](#)

,2009 [\*\*Social Theory and Practice\*\*](#) ,2012 [Echo of Islam](#) ,2007 [The Last Earth](#) Ramzy Baroud,2018-02-20 Spanning decades and encompassing war mass exodus epic migrations and the search for individual and collective identity The Last Earth tells the story of modern Palestine through the memories of those who have lived it Ordinary Palestinians have rarely narrated their own history In this groundbreaking book acclaimed author Ramzy Baroud draws on dozens of interviews to produce vivid intimate and beautifully written accounts of Palestinian lives in villages refugee camps prisons and cities in the lands of their ancestors and in exile Baroud s empathetic and lyrical approach reveals new human dimensions of the Palestinian saga telling it as it has never before been told Against dominant narratives the last earth reclaims Palestine s past and present for all its people [The Last Earth](#) Ramzy Baroud,2018 This is a history of modern Palestine like no other built from the testimony of people who have lived through it Ramzy Baroud here gathers accounts from countless Palestinians from all walks of life and from throughout the decades to tell the story of the nation and its struggle for independence and security Challenging both academic and popular takes on Palestinian history Baroud unearths here the deep commonalities within the story of Palestine ones that draw the people together despite political divisions geographical barriers and walls factionalism occupation and exile Through these firsthand reports by turns inspiring and terrifying triumphant and troubled we see Palestine in all its complexity and contradictions ever vibrant in the memories of

the people who have fought physically and otherwise for its future A remarkable book The Last Earth will be essential to understanding the struggles in the contemporary Middle East **Video Source Book**,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction The Second Palestinian Intifada Ramzy Baroud,2006-07-20 This is a comprehensive account of the momentous events which shaped the political landscape not only of Palestine and Israel but of the entire Middle East region Addressing the most controversial issues including the alarming escalation in suicide bombings and the construction of the Separation Wall he reports on the huge rate of unemployment and hunger in the Occupied Territories statistics so critical that NGOs compare their magnitude to African nations such as the Congo From the brutality of the Israeli army to the ever compromising nature of the Palestinian Authority few are spared Ramzy Baroud's thoughtful critique The book is clear and concise with one chapter dedicated to the major events of each year and includes a comprehensive timeline

**Our Vision for Liberation: Engaged Palestinian Leaders & Intellectuals Speak Out** Ramzy Baroud,Ilan Pappe,2022-03 Palestinians are often asked to provide their own vision for peace But how can a colonized people be expected to put forward a plan for peace when their colonizers are curtailing their options and denying any just possibilities out of hand When in actuality their synonym for peace is submission Typically Palestinians have been expected to squeeze their resistance and their political and historical discourses into the small spaces permitted by outside agendas What is needed is a truly Palestinian vision for how best to pursue their struggle particularly now in a post Oslo context Our Vision for Liberation Engaged Palestinian Leaders none bode well for any of the parties involved Here an alternative Palestinian view of liberation and decolonization is provided by engaged Palestinian leaders and intellectuals those who been actively involved in generating an ongoing Palestinian discourse on liberation taking into account the parameters of their struggle as it now stands Drawing on their own personal experiences as educators community leaders spiritual leaders artists historians human rights activists political prisoners and the like they address what now what next is to be done in a manner that reflects not only Palestinian aspirations but their view of what is possible Liberation is a term that was dropped from the official Palestinian lexicon simply because it was incompatible with the US championed political discourse but it has resurfaced here because without its justice dimensions there can be no peace Now that the international community is able to see that Oslo along with the two state solution model has irreversibly failed the paradigmatic void has opened space for the articulation of new possibilities Our Vision for Liberation embraces this opportunity to introduce a new Palestinian discourse one that is able to address current challenges and obstacles to Palestinian rights and freedom and provide diverse paths all leading forward **The Words of My Father** Yousef Bashir,2018-09-28 In the Gaza Strip growing up on land owned by his family for centuries eleven year old Yousef is preoccupied by video games school pranks and meeting his father's impossibly high standards Everything changes when the Second Intifada erupts and soldiers occupy the family home Yousef

s father refuses to flee and risk losing the house forever so the army keeps the family in a state of virtual imprisonment Yousef struggles to understand how his father can be so committed to peaceful co existence that he welcomes the occupying Israeli soldiers as guests even in the face of unfair and humiliating treatment Over time Yousef learns how to endure his new life in captivity but he can t anticipate that a bullet is about to transform his future in an instant Shot by an Israeli soldier at the age of fifteen and taken to hospital in Tel Aviv Yousef slowly and painstakingly confronts the paralysis of his lower body Under the ceaseless care of Israeli medical professionals he gains a new perspective on the value of co existence These transformative experiences set Yousef on a difficult new path that leads him to learn to embody his father s philosophy and spread a message of co existence in a world of deep set sectarianism The Words of My Father is a moving coming of age story about survival tolerance and hope
