House Amanda Robbie,2013-10-18 To love one s neighbour messy makes So writes Amanda Robbie s father in the poem at the start of this book Messy is OK even in a world gone mad with perfectionism The author looks at messy in the context of home family children church community meals and celebrations As someone who has lived in eight homes in four cities and one town spread across three countries in the course of her married life she has had to reassess her priorities regularly and work out what really matters in life From studying the Scriptures Amanda has discovered that it s God s grace that matters not our flawless performance or impressive presentation In fact dare we say it it s OK to do things imperfectly and even fail Yes honestly This book will lift the burden of guilt from your sagging shoulders It will free you up to enjoy serving God imperfectly by this world s standards but in a way that pleases our heavenly Father **Billboard** ,1998-06-20 In its 114th
