## Myanmar Law Book:

**English-Myanmar Law Dictionary**, 2002      **Law and Custom in Burma and the Burmese Family** Maung Maung, 2012-12-06 This book conceived in Rangoon nourished and delivered at the Yale Law School attempts to study the customary laws of Burma in the context of the country's legal system Customary laws govern the affairs of the family mainly while codes and precedents designed and developed on the imported British common law system enjoy exclusive control and authority over the remaining legal relationships in society This volume looks at the legal system in outline and the customary law of the Burmese family in some detail The customary laws of other indigenous groups such as the Shans the Kachins the Chins the Kayah the Mon and the Arakanese also need to be studied restated and appraised for though the laws are similar there are shades of differences and in building the Union of Burma it is important to build strongly on the similarities while giving due respect to the differences It is therefore hoped that this volume will launch a series of studies on the customary laws of the peoples of Burma in a large context and with high aim There are many needs for continuing research in the field of customary law One is to discover the customs of the people as they really are not just what they are presumed to be in early legal treatises or in later judicial decisions      *Myanmar Laws Digest* Aung Than Tun, 2000      **Business Laws of Myanmar**, 2017      *Doing Business in Myanmar* Michael O'Kane, 2018-01-01 Completely updated and revised to cover new Myanmar laws A general introduction to doing business in Myanmar covering all aspects of commercial and private law containing a brief historical background and review of the country's economy corporate and commercial requirements banking regulations corporate set up rules as well as an overview of the legal system      Myanmar Investment and Business Guide Volume 1 Strategic and Practical Information IBP USA, 2013-08 Myanmar Investment and Business Guide Strategic and Practical Information      **Law, Society and Transition in Myanmar** Melissa Crouch, Tim Lindsey, 2014-10-23 This edited volume addresses the dynamics of the legal system of Myanmar Burma in the context of the dramatic but incomplete transition to democracy that formally began in 2011 It includes contributions from leading scholars in the field on a range of key legal issues now facing Myanmar such as judicial independence constitutional law human rights and institutional reform It features chapters on the legal history of Myanmar electoral reform the role of the judiciary economic reforms and the state of company law It also includes chapters that draw on the experiences of other countries to contextualise Myanmar's transition to democracy in a comparative setting including Myanmar's participation in regional bodies such as ASEAN This topical book comes at a critical juncture in Myanmar's legal development and will be an invaluable resource for students and teachers seeking greater understanding of the legal system of Myanmar It will also be vital reading for a wide range of government business and civil society organisations seeking to re-engage with Myanmar as it navigates a difficult transition toward democracy and the rule of law      The English-Myanmar Law Dictionary, 2015      Myanmar Laws Digest 'On' San'' Thvan'' (Upadevijjā Ū''), 2001      *Myanmar Laws* Burma, 2003      **The Central Bank of Myanmar Law** Mrañmā-praṇṇ.

 endorsed and promoted worldwide Or is it In a significant contribution to the field Nick Cheesman argues that Myanmar is a  
 country in which the rule of law is lexically present but semantically absent Charting ideas and practices from British colonial  
 rule through military dictatorship to the present day Cheesman calls upon political and legal theory to explain how and why  
 institutions animated by a concern for law and order oppose the rule of law Empirically grounded in both Burmese and  
 English sources including criminal trial records and wide ranging official documents Opposing the Rule of Law offers the first  
 significant study of courts in contemporary Myanmar It sheds new light on the politics of courts during dark times and  
 sharply illuminates the tension between the demand for law and the imperatives of order      Myanmar Company Laws and

 Harding,Khin Khin Oo,2017-01-26 Myanmar s Constitution of 2008 was the road map for the reform process that began in  
 2011 Despite extensive criticism of this Constitution for its emphasis on the role of the military much progress has been  
 made towards constitutional government and law reform With the election of the opposition NLD to government in the  
 general election of November 2015 and the presidential electoral college election of March 2016 now is the time to consider  
 the Constitution and prospects and needs for constitutional change as Myanmar moves towards democracy and the rule of  
 law Much has been made of the Constitution s rigidity which is seen as an obstacle to reform and inconsistent with  
 embracing the rule of law human rights and multi party democracy especially with a rapidly transforming state and society  
 Nonetheless the Constitution is also seen as having potential to be a very positive force for reform Many issues arise now for  
 constitutionalism and constitutional change presidency federalism and territorial governance the status of minorities and  
 freedom of religion civil liberties in what is described as a discipline flourishing democracy the courts justice and the rule of  
 law the electoral system and many more This book is an attempt to gauge the extent and potential for the entrenchment of  
 constitutionalism in Myanmar in a rapidly changing environment      **Criminal Law in Myanmar** Chan Wing Cheong,2016
