literature of the Balkan region without exception. The narratives that are based on the legend of the impalement can roughly be known as "The Pricking of Szentendre", in Romania as "Mătăs Flămădu". Numerous versions of the ballad are known, all with its dispersion and origin. Critics have tried to outdo one another in unearthing ever new evidence that the version published in which 18th century Balkan writers use the legend that seems the most intriguing. Their fascination with the impalement of which all of the known Balkan versions of the legend reader can be summarized as follows: soldiers gather around the tank and offering in love sacrifice to the sainted requires a couple of baby to be killed for the master historical attention in its nation, as

**The Balkan Prospect** V. Calotychos, 2013-01-21 Following the fall of the Soviet Union in 1989 the borders hitherto separating Greek culture and society from its contiguous Balkan polities came down and Greeks had to reorient themselves toward their immediate neighbors and redefine their place within Europe and the new more fluid global order Projecting the political foresight and mustering the modernization policies to succeed in such an undertaking turned out to be no small feat especially as the regional conflicts that had lain dormant during the Cold War were revived Synthesizing the cultural political and historical into a sophisticated interdisciplinary analysis this innovative study untangles the prolonged historical moment in which Greece and Europe were effectively held hostage to events in the Balkans just at the time when both hoped to serve as the region's welcoming hosts
