**Learning Lomi Massage** Stefan Raeker, 2013-03-20  
 I am glad that you want to learn Lomi Lomi massage. The world needs healing fast. This wonderful method of massage, a little bit to a few more individuals to contribute in a more beautiful state of being, lead you. You will be guided by the following fundamental and basic knowledge of Hawaiian massage. Using the template, you can learn these basics. With further practice and stay on the ball, will open up to you little by little, ever new dimensions of this massage. It may be advantageous to consolidate after a while of this practical knowledge with an advanced course again. In particular, the so-called flying can often come right after a few months or years about. One audience of my course, which is one of the few true European Huna initiates, has learned to 7 years in Hawaii. She took part in my class out of curiosity because a trained man of me that she knew for some time has touched her at a Lomi festival as part of a large group massage practice with a handle. She was surprised because she knew that he had so far not massaged into the Lomi massage. The quality of his touch let her finally ask for my name. For me, it was a great stroke of luck to meet one of the few true initiates. And this meeting gave me courage again, made this script what should be going to be a book. I lay in my massage scripts much value information for clarity and order. This is the result of many participants experienced by me as training courses, some with cryptic documents. I wanted to do it differently, and I hope I have succeeded. And now I wish you much joy in learning and practicing the Lomi Lomi Nui massage.

Makana Risser Chai, 2007. *Wise Secrets of Aloha* Harry Uhane Jim, Garnette Arledge, 2007-03-01. Harry Uhane Jim is one of the last Kahuna of Lomilomi. Keeper of the Deep Mysteries of authentic Hawaiian esoterica. He shares the secrets of this ancient oral tradition with readers for the first time in *Wise Secrets of Aloha*. Recognizing that the world is in great peril, Kahuna Harry was blessed by the Halau Guardians who instructed him to share the true teachings and tools of Lomilomi for the practice of physical, emotional, and spiritual healing. He writes, "Now is the time to share aloha with humanity. Aloha means the Breath of God is in our Presence. It is time to reveal the profound Lomilomi secrets of the kahunas for personal and planetary peace." *Wise Secrets of Aloha* is as simple as it is profound, as contemporary as it is ancient. It is true to Hawaiian esoteric teachings and available to all who bring the right attitude. Aloha calls. Listen in the splash of waves, in the breeze, the air is filled with aloha. All the abundance, joy, and freedom from old wounds readers have ever yearned for can be found by adopting the aloha spirit. A Guide to Hawaiian Massage Abram Robin, 2023-06-10. Hawaiian massage is a healing art that has been practiced on the islands of Hawaii for generations. This ancient Polynesian technique, also called Lomi Lomi massage, has been passed down from generation to generation and is revered for its comprehensive focus on wellness. Hawaiian massage is more than just a set of physical strokes; it is an entire mind-body and spirit ritual with the goal of reestablishing the balance and harmony that had been lost. It is a type of bodywork that involves the therapist applying pressure and kneading the muscles with rhythmic motions, long flowing strokes, and the use of their hands, forearms, and elbows. Relaxing music and fragrant oils are common accompaniments to the massage as the receiver lies face up on a massage table. Hawaiian massage is distinctive in that it is informed by a philosophy that considers the mind, emotions, and spirit to be an integral part of the body. It is considered that optimum health and well-being can be attained when these factors are in harmony with one another. By easing muscular tension and opening up the body's energy channels, Hawaiian massage can help people feel better on many levels. Hawaiian massage is well known for more than just its general revitalizing and calming effects; it is also effective at relieving chronic pain, joint stiffness, and circulation disorders. It is a flexible and adaptable method of bodywork since it can be tailored to the specific requirements of each client. *Lomi-lomi, Hawaiian Massage* Paul A. Lawrence, 1980.
