Protein Breakfast Near Me:

Eat Drink And Be My Best; Forget The Rest Theo Annika Knillsson, 2019-03-21 Years of abuse and neglect have affected my eating and drinking and what was best for me overall It is hard to eat healthy when there is not enough money to do so Also when a victim is an emotional mess it is hard to eat healthily In reality the abuser pretty much dictates what when and if you eat at all Abusers force victims to eat foods that make a victim never want to eat that food again and some of those foods are healthy foods There are so many factors in why victims of abuse eat the way they do and why they have eating disorders Eating healthily is a big deal especially when a victim becomes malnourished due to abuse I was anorexic for a few years because of the long term horrific abuse At this time I had just had my last child down to ninety pounds and not able to gain weight no matter what I ate after I got out of the abusive situation It took years of eating enough healthy food to get my weight back to a normal weight And then of course I unintentionally got back into another abusive situation His control and abuse put me far into debt because I was not going to eat unhealthily and go back to being anorexic ever again I was forced not to work in this final abusive marriage I will never get into an abusive marriage again even if I had been lured into abusive marriages in my past by them over and over again Forced not to work made it so I had to use credit cards in order to eat enough healthy food At least I was not damaged again by anorexia No matter how forceful or abusive my husband was then my kids were not going to go without healthy food even if I was on a tight budget I would go into debt all over again so they could eat healthy I keep thinking I will pay it off and go to work as soon as I am safe enough to get out of this abusive marriage Finally out of that my last abusive marriage I am slowly but surely paying off the debt Yes with a lot of interest charge but I am going to be out of debt eventually I work as much as I can even if I am physically disabled unlike my last abusive husband I have to work to eat healthy I can't worry about the debt or I won't get out I eat healthy and in time I will become wealthy enough to be out of debt Because healthy is wealthy That is why I wrote this book to give you the reader ideas on what and how to eat drink and be the best forget the rest I will always be on a tight budget and that is how I will get out of debt SMART SPENDING HAPPY ENDING
