Tapestries of Life'S Poetries Anthony Urzia,2012-04-12 A warrior at heart composed in the mind a pendulum on a clock a child on a swing Dear Anthony I am

trying so hard to focus on things and get on with my life and I am trying to cover up the tears I know you wouldn't want me to feel this way because you are at peace now and you are not suffering anymore But it's not easy for me as your mum your early departure from this world has left me devastated I only wish that I could see you one more time to say GOODBYE You left on your own without anyone beside you I'm so grateful for the years that we got to spend together I couldn't ask for a better son you were kind polite thoughtful caring and loving Anthony thank you for all the beautiful memories you left me and for your written words YOUR POETRY Your legacy will live on in the powerful poetry you wrote Anthony I love you and miss you very much in my heart you will stay forever May your beautiful soul rest in peace now I know you are in HEAVEN surrounded by Angels With love from Mum **The Church** ,1868 **Conserving Walt Whitman's Fame** Gary Schmidgall,2006-03-01

It is now difficult to imagine that in the years before Whitman's death in 1892 there was real doubt in the minds of Whitman and his literary circle whether *Leaves of Grass* would achieve lasting fame Much of the critical commentary in the first decade after his burial in Camden was as negative as that in Boston's *Christian Register* which spoke of Whitman as someone who succeeded in writing a mass of trash without form rhythm or vitality That the balance finally tipped toward admiration culminating in Whitman's acceptance into the literary canon was due substantially to the unflagging labor of Horace Traubel famous for his nine volumes of Whitman conversations but less well known for his provocative monthly journal of socialist politics and avant garde culture the *Conservator* *Conserving Walt Whitman's Fame* offers a generous selection from the enormous trove of Whitman related materials that Traubel included in the 352 issues of the *Conservator* Among the revelatory perceptive and often entertaining items presented here are the most illuminating of the *Conservator's* more than 150 topical essays on Whitman and memoirs by many of his friends and literary cohorts that shed new light on the poet his work and his critical reception Also important is the richer understanding these pages afford of Horace Traubel's own sophisticated deeply humane and feisty views of America **The Kingdom of God** Edward Everett Hale,1880
