Abate, 2020-10-13 Children s literature isn t just for children anymore This original study explores the varied forms and roles of children s literature when it s written for adults What do Adam Mansbach s Go the F k to Sleep and Barbara Park s MA There s Nothing to Do Here have in common These large format picture books are decidedly intended for parents rather than children In No Kids Allowed Michelle Ann Abate examines a constellation of books that form a paradoxical new genre children s literature for adults Distinguishing these books from YA and middle grade fiction that appeals to adult readers Abate argues that there is something unique about this phenomenon Principally defined by its form and audience children s literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive

Attitude Tom Tierney, 1979 *Making Matters* Clare Hunter, 2025-08-14 A celebration of the overlooked artistry in crafts practised across the world THE TIMES Clare Hunter is out to reclaim the joy of making for the masses no act of creativity is too humble too ephemeral for this hymn to the sensory wonder and connectivity of the homemade OBSERVER Making Matters is an open door to the power of craft Now inspired I m off to get creative DAILY EXPRESS As children we made things snowmen paper boats eccentrically costumed plays That making fired our minds and imaginations it altered our small worlds and shaped who we became But as adults it is hard to find to find the space for creativity and to remember its power Exploring craft traditions and forms of making from across centuries and cultures Clare Hunter encourages to engage with the world afresh To use our hands again to see beauty in unexpected places to play and protest and embrace imaginative

possibilities From paper crafts to wonders made from light and snow she searches for creative delight making lanterns puppets and pinhole cameras Inspiring and fascinating Making Matters celebrates individual and collective creativity It blends history culture and politics with rich storytelling wonderful characters and tales of remarkable objects Read this and then make something In an era of screens and machines what a joy it is to read Clare Hunter s inspiring new book which summons up the creative delights of making wonderment with our own hands Justine Picardie author of Miss Dior Making Matters celebrates the joy of the handmade in all of its wonderful variety In a fast paced world it is a timely and beautiful exploration of making traditions I loved it Kate Strasdin author of The Dress Diary of Mrs Anne Sykes American Book Publishing Record ,1979 **Christopher Street** Charles Ortleb,1982 **Children's Costume in America, 1607-1910** ,1980 A chronological survey of American children s fashion describes trends and traces influences on the design of costume for infants boys and girls and teenagers *Modern English Readings* Roger Sherman Loomis,Donald Lemen Clark,1940 *Contemporary Graphic Artists* ,1986 **Women and Missions** Lucia P.
