Singh,2012-08-14 In this volume tourism experts collectively discuss and debate some intriguing questions that the tourism industry poses such as the relevance of mass tourism the dilemma of authenticity whether small tourism is beautiful whether volunteer tourism is benign whether tourism contributes to climate change as well as many others The book brings together the expertise of 35 renowned international scholars of tourism to examine these perplexing issues Multidisciplinary in its content it touches upon anthropology sociology geography climatology biosciences and planning and development aspects of tourism The book provides a dialogue for an academic discussion which challenges research conservatism and stereotypes in tourism studies It will encourage scholars to test the consistency of critical notions whose heuristic value is often taken for granted The book will benefit graduates research scholars and those involved in organizing the industry sustainably

## **Exploring Niche Tourism Business Models, Marketing, and Consumer Experience** Rodrigues, Maria

Antónia,Carvalho, Maria Amélia,2023-08-18 The transition from mass tourism to niche tourism has been a slow process It is clear that mass tourism can damage local culture authenticity and resources and niche tourism is considerably important for the future of tourism companies and destination managers Thus it is essential for tourism companies and destination managers to be proactive and adapt to market changes and challenges to hold a stronger position in the business environment in the future Exploring Niche Tourism Business Models Marketing and Consumer Experience provides relevant theoretical and empirical research findings an innovative and multifaceted perspective of the niche tourist experience and an understanding of how companies adopt business models based on sustainable paradigms and innovative technologies as a way to create value Covering topics such as business models rural tourism and visitor experience this premier reference source is an essential resource for marketing managers product developers niche tourism executives marketing and tourism students business professionals researchers and academicians

## **Tourism** Peter Robinson,2012 offers a comprehensive

collection of the most frequently studies concepts in the field Within the text key terms concepts typologies and frameworks are examined in the context of the broader social sciences blending together theory and practice to explore the scope of the subject Terms covered include authenticity destination management geographies of tourism hospitality LGBT tourism mobility planning society and culture sociology in tourism tourism strategy Each entry contextualizes defines and debates the concept discussed providing an excellent starting point for those studying tourism for the first time and a quick reference for

those who are more experienced With case studies examples and further reading throughout this text will be invaluable for all undergraduate and postgraduate tourism students Cover *Urban Tourism in the Developing World* Christian Myles Rogerson,Gustav Visser, Over the past decade the field of urban tourism has consolidated with the appearance of several books that concentrate upon the Western European and North American experience Recently the scope and range of urban research has widened considerably including the welcome appearance of studies that examine the tourism phenomenon in cities outside the Euro American heartland Despite this growing international body of debate and scholarship on tourism and cities particularly in the developed North literature that relates to the developing world as a whole and to Africa in particular remains sparse The task of Urban Tourism in the Developing World The South African Experience is to augment the current international scholarship concerning urban tourism in the developing world More especially the contributors draw attention to a range of case studies from South Africa that provide some starting points to address the uneven scholarly coverage of urban tourism the African context has received to date In addition the research material presented here seeks to contribute toward raising the South African and indeed the African profile within growing international scholarship concerning issues of urban tourism and development This collection aims to expand an emerging South African and African tourism research voice concerning the tourism and development nexus as well as to stem critiques that this body of research appears to have developed in a theoretical vacuum divorced from broader international tourism research discourses This collection of essays not only further develops an independent South African tourism perspective but also presents research that is closely tied to international urban tourism research debates In addition this analysis of urban tourism in the South African context enriches the rather Western oriented theories of urban tourism discourse through its emphasis on how urban tourism is evolving in urban Africa Christian M Rogerson is professor of human geography in the School of Geography Archaeology and Environmental Studies University of the Witwatersrand Johannesburg South Africa Gustav Visser is senior lecturer in human geography in the Department of Geography University of the Free State Bloemfontein South Africa Volunteer Tourism Angela M. Benson,2010-12-14 Volunteer Tourism is one of the major growth areas in contemporary tourism where tourists for various reasons seek alternative goodwill experiences and activities To meet this demand there has been a surge in volunteer programmes offered in range of destinations organized by a variety of charities and tour operators which is predicted to continue to grow in the future Volunteer Tourism provides an in depth analysis of the complex issues associated with traditional and contemporary volunteer tourism Reflecting the growth in this phenomenon this book provides a cohesive collection of chapters written from a range of international expert scholars and researchers The theoretically rich practically applied and empirically grounded contributions are based on current and diverse research in the area This groundbreaking volume explores topics which have not been addressed in the literature before such as the impact on host communities introducing new areas and ideas to the field The diverse range of themes are identified and addressed including volunteer

tourism and sustainability to uniquely the examination of volunteer tourism stakeholders volunteers themselves the host to guest exchange and the organizations and management of volunteers These themes are examined in a range of international case studies demonstrating the wide range of issues associated with volunteer tourism This volume is a timely addition offering an innovative approach to the area Volunteer Tourism will be of interest to both students and researchers interested in tourism leisure and development as well as non academics practitioners NGOs government officials at all levels

**Tourism Recreation Research** ,2007    *Mars Analog Research* Jonathan D. A. Clarke,2006    *Botswana Notes and Records* ,2009    Urban Transformations Cara Aitchison,Greg Richards,Andrew Tallon,2007 Contains chapters that reflect multi and interdisciplinary analyses of the ways in which leisure sport tourism and the cultural sector play key roles in the regeneration of urban environments As such the chapters apply the disciplines of sociology geography and economics to policy making and planning in urban studies    **Philosophical Issues in Tourism** John Tribe,2009 The aim of this book is to bridge the disciplines of philosophy and tourism and to provide an analysis and application of philosophical issues of tourism In doing so this book focuses on three key areas of knowledge aesthetics and values    *Tourism and Crime* David Botterill,Trevor Jones,2010 With contributions from an international team of highly respected authors and researchers Tourism and Crime brings together concepts ideas and empirical evidence from two distinct fields of research enquiry criminology and tourism studies and maps out a cross disciplinary research agenda for scholars and policymakers in this area

**Ecotourism** David Weaver,2008-03-31 This book reflects contemporary developments in the field Building on the strengths of the first edition the text discusses the significance of ecotourism in the domestic and international tourism sectors The origins markets venues and impact of ecotourism form the basis of the first part of the book Business aspects of ecotourism external environments organisations and policies are examined in the second part of the book along with special environments such as islands polar regions and indigenous territories and distinctive activities such as whale watching and penguin watching The management of ecotourism is covered comprehensively and is illustrated by extensive industry and destination examples derived mainly from the peer reviewed literature A highlight of the book is a regional survey of ecotourism that offers comparative insights into ecotourism in Australia the South Pacific Asia Europe the Americas and Africa    **Africa Insight** ,2007    Bulletin de la Société Geographique de Finlande ,2008 Vol 17 comprises *Atlas de Finlande* 1899 1 v text and atlas v 30 comprises *Atlas de Finlande* 1910 2 v text and atlas v 48 comprises *Atlas de Finlande* 1 v text and atlas For record of other editions of the atlases and text see Suomen Maantieteellinen Seura Founded 1888 *Atlas de Finlande*    **Pluralising Pasts** Gregory Ashworth,Brian Graham,John Tunbridge,2007-10-20 The heritage industry is big business From museums and the preservation of old buildings to broader questions of community and identity heritage is now a political issue This book explores what heritage means and how it is used to encourage people to identify with particular places and traditions The authors show how contemporary societies use heritage in the creation and management

of collective identities and most especially the different ways in which it is involved with the questions of multicultural societies. The resources that are poured into heritage mean that questions of identity are widely discussed at a policy level. What does it mean to be American or British or a minority in any society? This book shows how heritage is used politically and commercially to shape the ways people represent themselves and are represented in diverse and hybrid societies.

The Top Books of the Year New Horizons In Tourism Strange Experiences And Stranger Practices Cabi The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels entralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. New Horizons In Tourism Strange Experiences And Stranger Practices Cabi : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
