**Remote** David Heinemeier Hansson, Jason

Fried, 2013-10-31 For too long our lives have been dominated by the under one roof Industrial Revolution model of work That era is now over As remote working is becoming increasingly more flexible there is no longer a reason for the daily roll call of the need to be seen with your butt on your seat in the office The technology and necessity to work remotely and to avoid the daily grind of commuting and meetings has finally come of age Bestselling authors Jason Fried and David Heinemeier Hansson are the masters of making it work at tech company 37signals Remote Office Not Required combines eye opening ideas with entertaining narrative With its almost prescient content the book will convince you that working remotely increases productivity and innovation and it will also teach you how to get it right whether you are a manager working solo or one of a team Chapters include Talent isn't bound by the hubs It's the technology stupid When to type when to talk Stop managing the chairs and The virtual water cooler Brilliantly simple and refreshingly illuminating this is a call to action to end the tyranny of being shackled to the office

**At Home With Work** Nyla Naseer, 2023-04-26 Remote and Hybrid Making it

Work Remote and hybrid work environments have boomed in number however understanding on how to manage remote and hybrid work is still in its infancy We need better guidance on the impact of remote working on behavior organizational culture and wellbeing so that remote working models are optimized for success At Home with Work provides this understanding and guidance This book explains the background of remote work how technology and a changing society created the perfect backdrop to mass adoption of fully remote and hybrid work It shows how what started as an emergency response to COVID became the biggest global change to working arrangements in living memory and shifted our expectations about work itself The author investigates how remote and hybrid work has moved the dynamic away from ego driven office culture and towards higher trust and collaborative working This book is a carefully considered overview and introduction to wider changes in the field of work and the global labor market
