ROLE OF WORK LIFE BALANCE IN SELECTIVE PRIVATE BANKS- A STUDY UNDERTAKEN IN HYDERABAD AND SECUNDERABAD REGION

Dr. R. Bharathi, 2023-08-19 Work life balance signifies managing the numerous everyday tasks efficiently at work home or any other aspects of life. This comes as a great challenge as it is very crucial to both individuals and their organizations. In the prevailing condition of the country's economy the business enterprises are keen on achieving high productivity which requires their employees to attain better balance between their work and life activities. A person who has better work life balance is bound to work more efficiently that can help the business grow faster and profitable. Naithani 2010. This work life balance problem arises because of the massive variations in the work location or nature of work and employee's residence and other family commitments.

The Myth of Work-Life Balance Richenda Gambles, Suzan Lewis, Rhona Rapoport, 2006-02-22 Many regard the ways in which paid work can be combined or balanced with other parts of life as an individual concern and a small rather self indulgent problem in today's world. Some feel that worrying about a lack of time or energy for family relationships or friendships is a luxury or secondary issue when compared with economic growth or development. In the business world and among many Governments around the world the importance of paid work and the primacy of economic competitiveness whatever the personal costs is almost accepted wisdom. Profits and short term efficiency gains are often placed before social issues of care or human dignity. But what about the impact this has on men and women's well being or the long term sustainability of people families society or even the economy. Drawing from interviews and group meetings in seven diverse countries India Japan the Netherlands Norway South Africa the UK and USA this book explores the multiple difficulties in combining paid work with other parts of life and the frustrations people experience in diverse settings. There is a myth that work life balance can be achieved through quick fixes rather than challenging the place of paid work in people's lives and the way work actually gets done. As well as exploring contemporary problems this book attempts to seed hope and new ways of thinking about one of the key challenges of our time.

The Work-Life Balance Myth: Rethinking Your Optimal Balance for Success David J. McNeff,2021-02-23 An empowering guide that will show you how to shed the myth of the work life balance by merging the seven key components that make up your life to attain harmony and whole life success All of us have Seven Slices in our lives our Family Slice our Professional Slice our Personal Slice our Physical Slice our Intellectual Slice our Emotional Slice and our Spiritual Slice These all need to be served in some fashion and in serving them they in turn serve us This relatively simple but profoundly critical concept is at the heart of the method executive coach David McNeff has used to transform the lives and careers of his clients It begins with two important facts 1 stress happens you can t avoid it and 2 your existence is composed of far more than work and life Too often we divide our lives into those two general categories but we re all a lot more complex and our lives are richer than that By being clear and mindful of all aspects of your life the Seven Slices you ll be more likely to find inner harmony when stress impacts one of them In The Work Life Balance Myth McNeff takes you on a deep dive into each of the Seven Slices explaining the components of each Slice signs that you may not be attending to each Slice in a healthy way and hands on methods for accessing an underserved Slice The Work Life Balance Myth won t make your life perfect no one can do that and you shouldn t trust anyone who makes that promise What this book will do is provide you with proven new ways of framing your life seeing stress for what it is and vastly improving your ability to navigate the emotional challenges that will inevitably arise in a way that serves your Seven Slices

The Social Report ,2004 **Employment Insurance, Monitoring and Assessment Report** ,2002 **Leadership 2.0 in processes of a sustainable change** Prof. Dr. Michael Kurwan,2025-06-30 Document from the year 2025 in the subject Leadership and Human Resources Leadership language English abstract In order to successfully implement sustainable

changes in a company in the context of change processes strong leadership is required at the top of a company which should have a great deal of empathy and a sure instinct in order to position the company in the market in the long term and profitably In order to successfully shape these sustainable changes it will not be the famous power of the leader of the past but will only work with the involvement of employees in the new world of work in the knowledge age which is characterized by digitalization and artificial intelligence This new form of leadership is also referred to as Leadership 2.0 in which it is important to retain top performers and in particular key personnel in the company in the long term which is a very challenging leadership task in HR management In change processes a fundamental distinction must be made between incremental change management and radical change management While incremental change takes place continuously and is integrated into everyday working life radical change represents a strategic realignment of the company which is largely associated with staff reductions and is intended to change the corporate culture This is particularly true in the case of restructuring where cost cutting programs play a decisive role in ensuring the long term survival of the company Employees are more willing to go along with incremental change also known as continuous improvement than radical change as they could also be affected by staff cuts This fuels employees fears and therefore often leads to high staff turnover *Is Work-life Balance Still an Issue for Canadians and Their Employers?* Judith Lynn MacBride-King, Kimberley Bachmann, Conference Board of Canada, 1999 **In Pursuit of Attorney Work-life Balance** Susan Saab Fortney, 2005 **Work-life Balance, Employee Health and Wellbeing** Connie Zheng, 2024-10-03 Work life Balance Employee Health and Wellbeing delves into the connections between occupational responsibilities and personal happiness Comparing policy organisational practice and individual experiences of employees working lives it provides practical advice for management and policy improvement *The Life and Work of Marcus Stone, R.A.* Alfred Lys Baldry, 1896
