Richard Neutra Barbara Mac Lamprecht, 2010 **Tremaine Houses** Volker M. Welter, 2019-11-19 This volume analyzes the extraordinary patronage of modern architecture that the Tremaine family sustained for nearly four decades in the mid twentieth century From the late 1930s to the early 1970s two brothers Burton G Tremaine and Warren D Tremaine and their respective wives Emily Hall Tremaine and Katharine Williams Tremaine commissioned approximately thirty architecture and design projects Richard Neutra and Oscar Niemeyer designed the best known Tremaine houses Philip Johnson and Frank Lloyd Wright also created designs and buildings for the family that achieved iconic status in the modern movement Focusing on the Tremaines houses and other projects such as a visitor center at the meteor crater in Arizona this volume explores the Tremaines architectural patronage in terms of the family s motivations and values exposing patterns in what may appear as an eclectic collection of modern architecture Architectural historian Volker M Welter argues that the Tremaines patronage was not driven by any single factor rather it stemmed from a network of motives comprising the clients practical requirements their private and public lives and their ideas about architecture and art *Modern Schools* T. Hille, 2012-01-20 *Modern Schools A Century of Design for Education* is a comprehensive survey of modern K 12 schools from Frank Lloyd Wright to Morphosis an in depth design study that explores the fundamental relationship between architecture education and the design of contemporary learning environments Its focus is on the underlying design themes and characteristic features that support and enhance basic aspects of learning and in the process create an architectural expression that is both meaningful and lasting The breadth of its scope includes influences of contemporary educational ideas and practices related design concepts and strategies and most importantly the resulting impact of both on real environments for learning This remarkable survey and project study the first of its kind is an essential and important sourcebook for architects school planners educators and anyone else interested in contemporary school design The body of work presented which is international in scope underscores the unique architectural potential of this important project type and highlights design themes that remain fundamentally relevant for architects and designers today Presentation material includes more than 900 contemporary and historical photographs mostly in color and more than 200 detailed architectural plans drawings of schools by many of the outstanding design architects of the modern era *Modern Schools A Century of Design for Education* features the work of more than 60 architects worldwide including twentieth century masters Frank Lloyd Wright Alvar Aalto Marcel Breuer Le Corbusier and Eliel and Eero Saarinen as well as contemporaries such as Morphosis Coop Himmel b lau Behnisch Partners and Patkau Architects among many others **The Art of the Portrait** Norbert Schneider, 2002
