Twitter Marketing Hollis Thomases, 2010-01-12 The complete guide to a successful Twitter marketing campaign Twitter is a microblogging service that is changing the way we communicate. Marketers recognize its value and Twitter Marketing An Hour a Day offers marketers, advertisers, brand managers, PR professionals, and business owners an in-depth guide to designing, implementing, and measuring the impact of a complete Twitter strategy. Expert author Hollis Thomases acquaints you with the Twitterverse, its conventions, and its fascinating demographics and statistics. She then teaches you step by step how to effectively craft successful branding and direct response strategies that can be scaled to any organization and its objectives. Twitter Marketing An Hour a Day uses interesting case studies, success stories, anecdotes, and examples to demonstrate how to use Twitter metrics in order to inform strategic direction. You'll discover how top companies, large and small, have leveraged this exciting communications platform. Twitter has become a phenomenon with 32 million users, including major companies such as Apple, JetBlue, and CNN. This step-by-step guide explains the demographics, shows how companies are using Twitter, and explains how to scale the approach to your enterprise. The detailed coverage includes the basics for Twitter newcomers and explores all elements of a successful strategy. Expert author Hollis Thomases shows how to set goals, develop and implement a plan, attract followers, and measure the impact of a campaign. The in-depth book explains how to maintain momentum and explores such issues as contests, promotions, and crisis management. Twitter Marketing An Hour a Day is the ultimate guide to succeeding one tweet at a time.

The Discourse of Customer Service Tweets Ursula Lutzky, 2021-10-21 The Discourse of Customer Service Tweets studies the discursive and pragmatic features of customer service interactions, making use of a corpus of over 1.5 million tweets from more than thirty different companies. With Twitter being used as a professional service channel by many transport operators, this book features an empirical analysis of British and Irish train companies and airlines that provide updates and travel assistance on the platform often on a 24/7 basis. From managing crises in the midst of strike action to ensuring passengers feel comfortable on board, Twitter allows transport operators to communicate with their customers in real time. Analysing patterns of language use as well as platform-specific features for their communicative functions, Ursula Lutzky enhances our understanding of customers' linguistic expectations on Twitter and of what makes for successful or unsuccessful interaction. Of interest to anyone researching discourse analysis, business communication, and social media, this book's findings pave the way for practical applications in customer service.
