Frier,2020-04-14 Winner of the 2020 Financial Times and McKinsey Business Book of the Year Award Named Best Book of the Year by Fortune The Financial Times The Economist Inc Magazine and NPR In this sequel to The Social Network The New York Times award winning reporter Sarah Frier reveals the never before told story of how Instagram became the most culturally defining app of the decade The most enrapturing book about Silicon Valley drama since Hatching Twitter Fortune No Filter pairs phenomenal in depth reporting with explosive storytelling that gets to the heart of how Instagram has shaped our lives whether you use the app or not The New York Times In 2010 Kevin Systrom and Mike Krieger released a photo sharing app called Instagram with one simple but irresistible feature it would make anything you captured look more beautiful The cofounders cultivated a community of photographers and artisans around the app and it quickly went mainstream In less than two years it caught Facebook s attention Mark Zuckerberg bought the company for a historic 1 billion when Instagram had only thirteen employees That might have been the end of a classic success story But the cofounders stayed on trying to maintain Instagram s beauty brand and cachet considering their app a separate company within the social networking giant They urged their employees to make changes only when necessary resisting Facebook s grow at all costs philosophy in favor of a strategy that highlighted creativity and celebrity Just as Instagram was about to reach a billion users Facebook s CEO Mark Zuckerberg once supportive of the founders autonomy began to feel threatened by Instagram s success Frier draws on unprecedented access from the founders of Instagram as well as employees executives and competitors Anna Wintour of Vogue Kris Jenner of the Kardashian Jenner empire and a plethora of influencers worldwide to show how Instagram has fundamentally changed the way we show eat travel and communicate all while fighting to preserve the values which contributed to the company s success Deeply reported and beautifully written Nick Bilton Vanity Fair No Filter examines how Instagram s dominance acts as a lens into our society today highlighting our fraught relationship with technology our desire for perfection and the battle within tech for its most valuable commodity our attention **I Know Who You Are and I Saw What You Did** Lori Andrews,2012-01-10 A leading social networks specialist

from the Illinois Institute of Technology and government advisor on ethical issues regarding new technologies presents a sobering expose on the widespread misuse of personal online data and its potential for compromising safety and credibility recommending specific legal codes to govern personal rights on the Internet Facebook for Business Owners Gerry Owen,2015-12-22 hen Facebook first came out I just finished college and started studying web design at open university

Back then it wasn't most popular social network Everyone used to be all over BEBo back then At least in UK where I'm based But I thought Hey this is great I saw potential straight away even before Facebook announced Fan pages in 2007 I made many mistakes and some of my attempts can't even be named marketing Yes I started with spam and leaned hard lol but that's completely different story As uni students we tried many Internet based businesses and Affiliate marketing was the first one where I used Facebook It was done with my personal profile I spammed the hell out of it and finally I lost my account But It worked I thought that it was like printing money Then in 2007 fan pages were introduced and Facebook became huge part of every business I'm involved in Everything changed once again with introduction of Facebook ads I even set up wedding video business without knowing anything about film making All because of Facebook and its advertising Why Because I knew I can target engaged people This social network knows everything about us Facebook knows who we are how old we are where we live what we like to do in spare time our job status hobbies etc All these information can be used by your company to target potential customers
