Prime Big Deals How To Promo:

Moscow Prime Time Kristin Roth-Ey, 2011-05-15 When Nikita Khrushchev visited Hollywood in 1959 only to be scandalized by a group of scantily clad actresses his message was blunt Soviet culture would soon consign the mass culture of the West epitomized by Hollywood to the dustbin of history In *Moscow Prime Time* a portrait of the Soviet broadcasting and film industries and of everyday Soviet consumers from the end of World War II through the 1970s Kristin Roth Ey shows us how and why Khrushchev's ambitious vision ultimately failed to materialize The USSR surged full force into the modern media age after World War II building cultural infrastructures and audiences that were among the world's largest Soviet people were enthusiastic radio listeners TV watchers and moviegoers and the great bulk of what they were consuming was not the dissident culture that made headlines in the West but orthodox made in the USSR content This then was Soviet culture's real prime time and a major achievement for a regime that had long touted easy everyday access to a socialist cultural experience as a birthright Yet Soviet success also brought complex and unintended consequences Emphasizing such factors as the rise of the single family household and of a more sophisticated consumer culture the long reach and seductive influence of foreign media and the workings of professional pride and raw ambition in the media industries Roth Ey shows a Soviet media empire transformed from within in the postwar era The result she finds was something dynamic and volatile a new Soviet culture with its center of gravity shifted from the lecture hall to the living room and a new brand of cultural experience at once personal immediate and eclectic a new Soviet culture increasingly similar in fact to that of its self defined enemy the mass culture of the West By the 1970s the Soviet media empire stretching far beyond its founders wildest dreams was busily undermining the very promise of a unique Soviet culture and visibly losing the cultural cold war *Moscow Prime Time* is the first book to untangle the paradoxes of Soviet success and failure in the postwar media age **Prime Time**

Prisons on U.S. TV Bill Yousman, 2009 In the current era of rampant incarceration and an ever expanding prison industrial complex this crucial book breaks down the distorted and sensationalistic version of imprisonment found on U S television Examining local and national television news broadcast network crime dramas and the cable television prison drama *Oz* the book provides a comprehensive analysis of the stories and images of incarceration most widely seen by viewers in the U S and around the world The textual analysis is augmented by interviews with individuals who have spent time in U S prisons and jails their insights provide important context while encouraging readers to critically reflect on their own responses to television images of imprisonment Appropriate for both undergraduates and postgraduates *Prime Time Prisons on U S TV* is useful for courses in media criticism media literacy popular culture television studies and criminology Advertising and Promotion George Edward Belch, 2004 *CBSE/NCERT Political Science Class 12* Dr. J.
