Memes Today Back To School Deals Usa:

A New Deal for Teachers Curtis Johnson,2021-03-05 Teachers fully in charge of what matters for student and school success is now a movement growing steadily in nearly half the states of the U S According to a national survey most teachers in America are unaware that this is a professional option And because most thinking is about real school it is apparently not safe for even scholars to talk about teachers being in charge Nearly every book diagnoses the problem then defaults to a conventional remedy like chasing good principals This book is aimed at raising the teacher powered movement s visibility making it safe to talk about teachers in charge of schools showing how this arrangement erases the talent drain now plaguing the schools and offering evidence that students do better in these schools than they do in the conventional system The book outlines how the movement could get bigger faster And the massive institutional resistance to change that slows its progress And unlike most books the author sees teachers unions as part of the solution
