High Expectations are the Key to Everything Michael Bergdahl, 2013-11-01 You can bring out the best in others by bringing out the best in YOU All of us deal with challenges in our lives that interfere with the achievement of our goals Why is it that some people always seem to land on

their feet while others fall down crippled under the weight of life's obstacles. In almost all cases, both individuals started out with similar capabilities and resources. So what's the difference? I believe those who succeed approach problems as opportunities and are driven by a *cando* attitude. Moreover, they have high expectations. They face every challenge with the belief that they will succeed in the end. In this inspirational book, Michael Bergdahl will explain how he and his wife Sheryl overcame adversity and achieved their goals in life, and he'll explain how you can do it too: how YOU can overcome life's challenges, how YOU can control your own destiny, how YOU can reach your full potential.

MICHAEL BERGDAHL is a professional international business speaker, turnaround specialist, and author. He has appeared on CNN, CNBC, MSNBC, Univision, CBS National Radio, and Bloomberg TV. Bergdahl was the Director of People at the Wal-Mart headquarters in Bentonville, Arkansas. He worked in the FMCG Industry for PepsiCo's Frito-Lay Division in the sales organization and headquarters staff assignments. Bergdahl received the Senior Professional in Human Resources (SPHR) life certification from SHRM. He is a graduate of Pennsylvania State University with a B.S. in Sociology Behavioral Sciences.
