Learn how to multiply your productivity by guiding or prompting AI in various ways. The book also introduces Microsoft Copilot, Google Bard, and Adobe Photoshop Generative Fill among other new applications. ChatGPT reached a hundred million users in just two months after its release, faster than any other application before. This marked the advent of the generative AI era. Generative AI models generate text, images, music, videos, and even 3D models in ways previously thought impossible for machines. The book explains in an understandable manner how these AI models work. The book provides examples of how AI increases productivity, which professions are changing or disappearing, and how job markets will evolve in the coming years. With this book, you'll learn to recognize the opportunities and risks AI offers. Understand what this change demands from individuals and companies and what strategic skills are required. The book also covers legal questions caused by generative AI like copyrights, data protection, and AI regulation. It also ponders societal impacts AI produces content thus influencing language, culture, and even worldviews. Therefore, it's crucial to understand by whom and how AI is trained. The AI revolution started by ChatGPT is just the beginning. This handbook is for you if you want to keep up with the rapid development of AI.

Pivot or Die Gary Shapiro, 2024-10-08

From Gary Shapiro, New York Times bestselling author and head of CES and the Consumer Technology Association, a manifesto for today's top executives, entrepreneurs, and leaders: *Pivot or Die*. As CEO of the Consumer Technology Association, owner and producer of CES, Gary Shapiro has had a front-row seat to the launch of nearly every recent major technology. He's seen tech companies rise and fall and bankrupt entrepreneurs become billionaires. After more than four decades in the industry, he knows that leaders who make it in the tech world have one thing in common: they know how to pivot. Drawing upon detailed case studies, economic theory, and personal experience, *Pivot or Die* offers a behind-the-scenes look at the development of innovative technology and business strategies. Along the way, Shapiro offers a pivot framework for leaders in technology and beyond to stay flexible and agile. The startup pivot, how startups can shake up industries and maximize the advantage of new ideas. The forced pivot, adapting to the unforeseeable or simply unforeseen and meeting shifting consumer demands. The failure pivot, why failure can deliver better lessons than success and how to take those lessons forward. The success pivot, Beating the market by seizing opportunity and out pivoting your competitors. In laying out each of these pivots, Shapiro shares unique lessons on how leaders can change minds and mindsets and steer their organizations to success in an increasingly competitive environment.

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
