**Packaging Baseball** Mathew J. Bartkowiak, Yuya Kiuchi, 2014-01-10 Walk through any major or minor league park today and the sights sounds and smells of baseball overwhelm Teams long ago figured out that this immersive quality is a powerful draw and the fan experience has been a major force in their marketing plans In recent years advancing technology has altered not only that experience which now includes LED video boards and blasts of digital music but the marketing and revenue opportunities for the game Fans all over the world can subscribe to video and audio streams acquire credit cards emblazoned with team logos and follow their favorite players through league sanctioned blogs Baseball s ambition and reach are now truly global Focusing on the game s dual identities as pastime and economic engine the authors examine the ways that baseball is packaged promoted and consumed in the United States and increasingly abroad **Billboard**, 2002-11-02

**The Samson Syndrome** Mark Atteberry, 2014-04-15 Why do some strong men fail while others succeed Like the biblical character Samson all strong men those who are successful influential self confident aggressive or widely respected face twelve tendencies that can lead to sin and even personal tragedy The adventurous and gifted Samson whose story is told in four chapters of the book of Judges never had the intention of fighting against God He was just a fun loving guy looking for a good time Like so many strong men today he didn t think his sin was any big deal But it s clear as you read his story that the older he got the more sin held him in its grip The Samson Syndrome is a set of twelve tendencies or challenges that strong men will always face Obstacles like lust ignoring good advice big egos fears of authentic intimacy losing sight of the big picture and others have the ability to be any man s undoing Atteberry s mission is to remind men of the joy of living within God s boundaries because he believes there s a little Samson in all of us With God s help we re capable of such great things But we re never more than one bad choice away from humiliation However it doesn t have to be that way if you want to fulfill your God given potential
