Determining the College Football Playoff: Weighted Wins, A Better Approach Ray D. Theis, Mark G. Terwilliger, 2021-09-21 In this book we explore the history of college football and in particular the mythical college championship from 1869 to the present day. For several years different media outlets took it upon themselves to declare a national championship, which led to nothing short of confusion. In one year four different teams were named champion. This chaotic situation and accompanying controversy ultimately led to the creation of the Bowl Championship Series or BCS. Initially the BCS selection was based on a formula that incorporated several polls and computer models. However, the proprietary nature of the computer models and the complexity of the mathematics used to combine the data sources to arrive at the final selection did very little to quiet the controversy. This led to the creation of a selection committee to choose the four best teams to compete in a four-team playoff. Again, controversy has ensued with many questioning the politics and nebulous, capricious nature of the criteria. We have created an alternate model which we have dubbed the weighted wins system that defines a simple, unbiased, and consistent mechanism for evaluating and comparing the records of the teams in the NCAA's Bowl Subdivision. We have compared the results of the weighted wins model against forty years of actual game

results and found that it generates very similar outcomes The primary difference is that it completely removes politics from the selection process and offers a clear path to the playoffs for all members of the Bowl Subdivision An Autumn Remembered Gary T. King,1988 **The Inter-college Football Association Schedule** The Inter-college Football Association,1903 Pigskin Warriors Steven Travers,2009-10-16 From the leather helmet era to the media circus of college football today Travers presents a carefully researched examination of college football and its role in our society Photographs complement the text providing a deep sense of how the sport has evolved details our obsession with identifying winners and uses examples of popular culture the top 8 football movies of all time to accent the influence this sport has on our culture

Meat Market Bruce Feldman,2014-11-02 One of the most insightful books ever written about college football The New York Times Now revised and updated by the author MEAT MARKET proves that in college football the game off the field is more brutal than the one on the field In this shattering expose Bruce Feldman goes into the war rooms to show who stands to profit when champions get built and at what cost A college football program can become a multi million dollar industry for its school but only if that program wins The quest for excellence goes beyond the guts and the glory of the gridiron it goes into the war rooms where recruiters size up every metric to determine which high school phenom they want to recruit to the university Bruce Feldman FOX Sports College Football Insider rips the cover off the game s frenzied pursuit of raw talent taking you deep inside the SEC war room of recruiting legend Ed Orgeron the combustible Cajun who helped build national championship teams at the University of Miami and at USC In a stunning blow by blow account of the year leading up to National Signing Day 2007 the award winning journalist shadows Orgeron and his Ole Miss assistants as they set about hunting high school students pleading plotting and inventing ways to lure them to their sleepy Oxford campus Packed with candid confessions and outrageous off the field action Meat Market makes what happens on the field seem almost tame by comparison MEAT MARKET is a must read for all college football fans an eye opening discovery of what it takes to put their favorite team on the field **Cathedrals of College Football** Michael Irwin,Joseph Irwin,1999 **Football in the Pac-10** Adam Hofstetter,2007-08-15 Profiles the history and individual teams of the Pac 10 football conference **NCAA Football 11** Electronic Arts,2010 **The Hundred Yard Lie** Rick Telander,1989 The lead college football writer for Sports Illustrated examines the myths that surround college football and obscure the reality of the game **NCAA Football 10** Electronic Arts,2009
