**There Must be More Than this** Judith Wright, 2003

There IS more than this and you can have it

What keeps us from living the rich fulfilling lives we desire

Judith Wright has found that too often we are tripped up by our dependence on seemingly harmless habits like shopping watching TV gossiping and surfing the net

These are soft addictions and they form a powerful net that traps us preventing us from having more love and meaning in our lives

They fill up our time but leave us feeling empty asking Is this all there is to life

There must be more than this

Judith Wright's fresh perspective and proven program invite you to overcome your soft addictions and discover MORE a full engaging life of more intimacy purpose joy satisfaction and love

She promises a life in which you advance your goals and your vision every day

You will live more purposefully and feel more intensely

stop asking the small questions and start asking the big ones

You will fill your life with meaningful activity and your soft addictions will fall away

Educator and life coach Judith Wright coined the term soft addictions after years of working with students who came to her courses to get more out of life

They would experience insights in class but be unable to fully apply them to their lives

Wright found that her students were limiting their experience and enjoyment of life by engaging in unsatisfying routines

She discovered that these time wasters and draining habits which she named soft addictions have a powerful hold on us because they satisfy certain wants to zone out feel busy numb painful feelings or avoid anxieties but ignore deeper hungers for love beauty spirituality and meaning

They substitute a superficial high or sense of activity for a sense of genuine purpose and fulfillment

In a very real sense we become hooked on these habitual behaviors

But unlike drugs or alcohol our soft addictions arrive in the seductive guise of a normal socially acceptable activity

There Must Be More Than This helps you identify and fulfill the deeper longings behind your soft addictions

Judith Wright's eight step program has now been used by hundreds of her students to overcome their soft addictions and open up their lives to a greater sense of purpose and happiness

There Must Be More Than This shares her methods along with real life inspirational stories of success

Invite More into your life and know that you are living the life you were meant to live
