**Newton Forster; or, The merchant service, by the author of 'The king's own'.** Frederick Marryat,1832 [Newton Forster Or the Merchant Service](#) Frederick Marryat,2004-06 If I might presume upon my long standing in the service Captain said a pompous general officer whose back appeared to have been fished with the kitchen poker If I might venture to offer you advice continued he leading me paternally by the arm a little on one side it would be not again to attempt a defence of smuggling I consider sir that as an officer in his Majesty s service you have strangely committed yourself

[Newton Forster](#) Frederick Marryat,2009-12 From the Father of Modern Nautical Fiction Newton Forster first appeared in 1832 as a series in Metropolitan Magazine a periodical of which Frederick Marryat was the editor and which initially hosted several of his works It is remarkable in that it deals largely with the merchant navy as opposed to the military This makes it a refreshing departure from most of the books in this genre Yet despite this fact there is no shortage of action as we learn that the ships of the Honourable East India Company not only had guns they knew how to use them very well Newton Forster the master of a coastal brig is illegally pressed into the Royal Navy Through a variety of maneuvers however he winds up on an East Indiaman where he undergoes a series of adventures with the Bombay Marine the East India Company s private military arm Included are shipwrecks escapes and love interests as he eventually rises to command his own ship Especially interesting is Marryat s fictional account of the Battle of Pulo Aura in which a squadron of merchant ships engaged defeated and then chased a powerful French naval squadron in the Indian Ocean The book appeared

to rave reviews and proved to the skeptics that Marryat could not only sustain but increase the excellence of his work with every new book **Newton Forster, Or the Merchant Service (Classic Reprint)** Frederick Marryat,2016-06-27 Excerpt from Newton Forster or the Merchant Service The fact is perhaps that the author is at the stage in which he thinks he has a mission to fulfil His head is full of certain topics on which he believes that the ordinary public opinion is wrong Thus he introduces a long account of some of the happier conditions of slavery in the West Indies in Chapters xiv And xv He discusses duelling in Chapter xxxv he interposes a few remarks on the real value of Madeira as compared with sherry above all he is wroth with those merchants who obtained possession of India and called themselves the East India Company All the earlier paragraphs in Chapter xl Are occupied with a denunciation of old John Company conceived and written in much the same spirit as that in which some of the more fijrious of its critics at present denounce the Chartered Company in South Africa About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Newton Forster; Or, The Merchant Service** Frederick Marryat,2019-12-04 In
