*Mourning Lincoln* Martha Hodes, 2015-02-24 A historian examines how everyday people reacted to the president's assassination in this highly original lucidly written book James M McPherson author of *Battle Cry of Freedom* The news of Abraham Lincoln's assassination on April 15 1865 just days after Confederate surrender astounded a war weary nation Massive crowds turned out for services and ceremonies Countless expressions of grief and dismay were printed in newspapers and preached in sermons Public responses to the assassination have been well chronicled but this book is the first to delve into the personal and intimate responses of everyday people northerners and southerners soldiers and civilians black people and white men and women rich and poor Exploring diaries letters and other personal writings penned during the spring and summer of 1865 historian Martha Hodes captures the full range of reactions to the president's death far more diverse than public expressions would suggest She tells a story of shock glee sorrow anger blame and fear 'Tis the saddest day in our history wrote a mournful man It was an electric shock to my soul wrote a woman who had escaped from slavery Glorious News a Lincoln enemy exulted while for the black soldiers of the Fifty Fourth Massachusetts it was all too overwhelming too lamentable too distressing to absorb Longlisted for the National Book Award *Mourning Lincoln* brings to life a key moment of national uncertainty and confusion when competing visions of America's future proved irreconcilable and hopes for racial justice in the aftermath of the Civil War slipped from the nation's grasp Hodes masterfully explores the tragedy of Lincoln's assassination in human terms terms that continue to stagger and rivet us today [The Republic for which it Stands](#) Richard White, 2017 The newest volume in the Oxford History of the United States series *The Republic for which it Stands* argues that the Gilded Age along with Reconstruction its conflicts rapid and disorienting change hopes and fears formed the template of American modernity **A Holy Baptism of Fire and Blood** James P. Byrd, 2021-01-04 In this book James Byrd offers a thorough analysis of how Americans North and South enlisted scripture to fight the Civil War As Byrd reveals in this insightful narrative no book was more important to the conflict than the Bible From Massachusetts to Mississippi and beyond the Bible was the nation's most read and respected book and each side enlisted it in arguments over slavery secession patriotism authority white supremacy and violence *The A Holy Baptism of Fire and Blood* draws on an astonishing array of sources to demonstrate the many ways that Americans enlisted the Bible in the nation's bloodiest and arguably most biblically saturated conflict *My Hijacking* Martha Hodes, 2023-06-06 In this moving and thought provoking memoir a historian offers a personal look at the fallibilities of memory and the lingering impact of trauma as she goes back fifty years to tell the story of being a passenger on an airliner hijacked in 1970 On September 6 1970 twelve year old Martha Hodes and her thirteen year old sister were flying unaccompanied back to New York City from Israel when their plane was hijacked by members of the Popular Front for the Liberation of Palestine and forced to land in the Jordan desert Too young to understand the sheer gravity of the Israeli Palestinian conflict Martha coped by suppressing her fear and anxiety Nearly a

half century later her memories of those six days and nights as a hostage are hazy and scattered Was it the passage of so much time or that her family couldn't endure the full story or had trauma made her repress such an intense life and death experience A professional historian Martha wanted to find out Drawing on deep archival research childhood memories and conversations with relatives friends and fellow hostages Martha Hodes sets out to re create what happened to her and what it was like for those at home desperately hoping for her return Thrown together inside a stifling jetliner the hostages forged friendships provoked conflicts and dreamed up distractions Learning about the lives and causes of their captors some of them kind some frightening the sisters pondered a deadly divide that continues today A thrilling tale of fear denial and empathy My Hijacking sheds light on the hostage crisis that shocked the world as the author comes to a deeper understanding of both what happened in the Jordan desert in 1970 and her own fractured family and childhood sorrows
