Katherine Paterson is the consummate storyteller, a crafter of tales in which characters must deal with the most elemental hopes and fears in settings be it a Chesapeake Bay island or the mountains of China that are alternately blissful and beatific, terrifying and desperate. In a sensitive analysis of the novels and stories of this award-winning children's author, Gary D. Schmidt finds that Paterson is in a subtle way a didactic writer informed by her hopeful and ethical vision of the future. Here is a writer, Schmidt argues, who does not shy away from horrendous topics: unwanted foster children, the death of a schoolchild's best friend, rape, murder, political intrigue, religious mania, and war. He finds that Paterson's books, among them the National Book Award-winning *Master Puppeteer* (1976) and *The Great Gilly Hopkins* (1978) and the Newberry Award-winning *Bridge to Terabithia* (1977) and *Jacob Have I Loved* (1980), are successful when the reader journeys with the author through distressing situations and then arrives in a moment of grace at a place of spiritual enlightenment. Paterson's characters, Schmidt argues, search for fathers for families for love and acceptance for themselves; they recall the characters of Flannery O'Connor who also find themselves caught in moments of distress and then find like Paterson's characters moments of grace. As Schmidt shows, that moment may come in the building of a bridge or in coming to understand the implications of a carol or poem or in resolving to live a life of burdens shared. Schmidt begins this study with a biographical essay about Paterson's life drawn from her own essays as well as from an interview with her he conducted at her home in Barre, Vermont. In the balance of the book, he addresses her copious work, beginning with her early historical fiction and proceeding on to the novels that explore her major themes of the plight of prodigal children and the search for true family. Later chapters examine Paterson's more recent historical fiction and her retelling of folk tales. Throughout his discussion, Schmidt focuses on the stories' elements of hope for, as Paterson has said in a National Book Award acceptance speech, she wants to be a spy for hope. Schmidt's lucid study brings readers a closer understanding of this remarkable spy. **BOOK JACKET Title Summary field**
