## Nice Law Very Short Introduction Introductions:

**Law** Raymond Wacks, 2023 Law touches every aspect of our daily lives and yet the main concepts terms and processes of the legal system remain obscure to many This Very Short Introduction in its third edition provides a lucid accessible guide to modern legal systems considering a number of social and political events that have had an impact on the law *The Common Law: a Very Short Introduction* Joshua Getzler, 2016-05-01 The common law began as England's national system of adjudication for correcting wrongs protecting rights and enforcing due administration of government in the Royal courts Its origins can be traced back to 11th century England and was soon exported to the rest of Britain and ultimately to the far flung reaches of the British Empire The common law has therefore enjoyed nearly a thousand years of development and elaboration in many lands influenced by but separate from the systems of continental Europe with its own distinctive procedures of pleading fact finding and remedies It developed laws that govern much of today's world of trade business and finance it defended ideas of personal liberty and equality before the law and it helped establish principles of constitutional legally limited government and administration Thus the common law provides an original and crucial strand in the history of social organization politics and culture around the world In this Very Short Introduction Joseph Getzler explains the evolution of the common law The main institutions of the common law are described courts procedures judges and juries and means of reporting analysing and learning the law and the main categories of common law rights and duties are delineated property contract and tort equitable claims unjust enrichment crime constitutional and public law and civil liberties **Literary Theory: The Basics** Hans Bertens, 2024-06-28 Now in its fourth edition Literary Theory The Basics is an essential guide to the complicated and often confusing world of literary theory Readers will encounter a broad range of topics from Marxist and feminist criticism to postmodernism queer studies and ecocriticism Literary Theory The Basics shows in an always lucid and accessible style how literary theory and practice are connected and considers key theories and approaches including humanist criticism structuralist and poststructuralist theory postcolonial theory posthumanism ecocriticism and animal studies digital humanities and print culture studies Literary theory has much to say about the wider world of humanities and beyond and this guide helps readers to approach the many theories and debates with confidence Expanded with updates throughout this is the go to guide for understanding literary theory today *The Law Quarterly Review*, 1890 *Analyzing Narratives in Social Networks* Zvi Lotker, 2021-08-28 This book uses literature as a wrench to pry open social networks and to ask different questions than have been asked about social networks previously The book emphasizes the story telling aspect of social networks as well as the connection between narrative and social networks by incorporating narrative dynamic networks and time Thus it constructs a bridge between literature digital humanities and social networks This book is a pioneering work that attempts to express social and philosophic constructs in mathematical terms The material used to test the algorithms is texts intended for performance such as plays film scripts and radio plays mathematical representations of

the texts or literature networks are then used to analyze the social networks found in the respective texts By using literature networks and their accompanying narratives along with their supporting analyses this book allows for a novel approach to social network analysis

**Introduction to Legal English** Mark E. Wojcik,1998      **Proceedings of the ... Annual Convention and Organization of the National Association of Life Underwriters** National Association of Life Underwriters,1894      **The Athenaeum** ,1883      **Philosophy of Law** Raymond Wacks,2014-02-27 The concept of law lies at the heart of our social and political life Legal philosophy or jurisprudence explores the notion of law and its role in society illuminating its meaning and its relation to the universal questions of justice rights and morality In this Very Short Introduction Raymond Wacks analyses the nature and purpose of the legal system and the practice by courts lawyers and judges Wacks reveals the intriguing and challenging nature of legal philosophy with clarity and enthusiasm providing an enlightening guide to the central questions of legal theory In this revised edition Wacks makes a number of updates including new material on legal realism changes to the approach to the analysis of law and legal theory and updates to historical and anthropological jurisprudence ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**The Lancet** ,1875      **A History of Political Thought** Bruce Haddock,2008-09-22 This book is a comprehensive introduction to the history of political thought tracing the development of arguments and controversies from ancient Greece through different forms of community state and empire to today s global concerns Bruce Haddock highlights the bewildering variety of contexts that have framed political thinking yet also displays structural features that have proved to be remarkably stable over time An important theme in the book is the need to see political philosophy even in its most abstract formulations as a response to historically contingent circumstances without limiting its relevance to those circumstances The emphasis throughout is on political thinking as a response to hard choices Major thinkers covered include Plato Aristotle Augustine Aquinas Machiavelli Grotius Locke Spinoza Montesquieu Hume Kant Rousseau Burke Hegel Marx Mill Lenin Schmitt Nietzsche Foucault Oakeshott and Rawls The book treats political philosophy and theory as a tentative engagement with a fractured and controversial past Yet political thinking remains the exercise of a burden of a responsibility that is inescapable for us Haddock introduces a history that continues to shape our understanding of ourselves as political and historical creatures A History of Political Thought will be of interest to students and scholars of politics history and philosophy

*The Solicitors' Journal and Reporter* ,1883      *Persuasive Writing for Lawyers and the Legal Profession* Louis J. Sirico,2001      *Good Housekeeping* ,1885      **Cyclopaedia of English Literature** Robert Chambers,1882      **Official Reports of the Debates of the House of Commons of the Dominion of Canada** Canada. Parliament. House of Commons,1891      **Law: A Very Short Introduction** Raymond Wacks,2015-09-24 Law is at the heart

of every society protecting rights imposing duties and establishing a framework for the conduct of almost all social political and economic activity Despite this the law often seems a highly technical perplexing mystery with its antiquated and often impenetrable jargon obsolete procedures and endless stream of complex statutes and legislation In this Very Short Introduction Raymond Wacks introduces the major branches of the law describing what lawyers do and how courts operate and considers the philosophy of law and its pursuit of justice freedom and equality In this second edition Wacks locates the discipline in our contemporary world considering the pressures of globalization and digitalisation and the nature of the law in our culture of threatened security and surveillance ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable     *The Cambridge Review* ,1888     **Brewers' Guardian** ,1871     The Writers Directory ,2013
