Go Around E. J. Noyes, 2021-11-01 Avery Weston is doing fine Sure she s not doing as fine as her ex award winning actress and current television It Girl Elise Hayes but Avery enjoys her work as a Federal Air Marshal and also enjoys almost being over Elise walking out on their relationship fifteen months ago Until Elise is seated next to her on a flight and the emotional progress Avery thought she d made is reset in an instant Just like their first flight together this one also has some bumps But this time they don t have to make a go around for a safe landing they just have to deal with an overzealous fan threatening Elise And when Elise comes begging for a place to stay until the stalker situation is resolved Avery has to agree it s the perfect solution to keep Elise safe After all nobody knows Elise Hayes used to have a girlfriend It s only for a few weeks what s the harm Except for some tiny issues like when you re still kind of in love with your ex and the mutual spark is as strong as ever it s easy to fall into familiar habits Then there s Elise s apologies and genuine regret over leaving which makes it hard for Avery to hold on to past hurts and sends her simmering emotions to a boil But love and sparks aren t always enough If Avery and Elise can find a way to move past everything that came between them last time maybe they ll get a chance to go around and try landing their relationship again
