Lang, 2016-02-16

Employ cognitive theory in the classroom every day

Research into how we learn has opened the door for utilizing cognitive theory to facilitate better student learning But that s easier said than done Many books about cognitive theory introduce radical but impractical theories failing to make the connection to the classroom In *Small Teaching* James Lang presents a strategy for improving student learning with a series of modest but powerful changes that make a big difference many of which can be put into practice in a single class period These strategies are designed to bridge the chasm between primary research and the classroom environment in a way that can be implemented by any faculty in any discipline and even integrated into pre existing teaching techniques Learn for example How does one become good at retrieving knowledge from memory How does making predictions now help us learn in the future How do instructors instill fixed or growth mindsets in their students Each chapter introduces a basic concept in cognitive theory explains when and how it should be employed and provides firm examples of how the intervention has been or could be used in a variety of disciplines Small teaching techniques include brief classroom or online learning activities one time interventions and small modifications in course design or communication with students      *Winning* Travis Moody, 2016-05-13 There is no question that life is definitely more fun when we win Unfortunately many of us are just drifting through life while often facing defeat at every turn We long to improve our relationships our health and our finances but for many of us it seems as though we are just getting by in life The good news is that God does not want us just to survive so that we can enjoy eternity God wants for us the same thing that we all want for ourselves to win in life He wants for us to win in our relationships in our health and in our finances This book will help you do just that Winning begins with a brief self assessment that encourages honest reflection on the kinds of behaviors that trigger freedom peace and inner strength Travis Moody a former college athlete and corporate executive turned life coach and stewardship consultant relies on his personal experiences both good and bad to provide practical and spiritual advice intended to help you move from merely surviving to living a life of success and ultimately a life fulfilling your own unique purpose In this step by step guide you will learn how to win in every area of your life      **The Search for Talent** College Entrance Examination Board, 1960      **Harper's Young People** ,1898      **Literacy and Learning in the Content Areas** Sharon Kane, 2017-07-05 The 3rd Edition of *Literacy Learning in the Content Areas* helps readers build the knowledge motivation tools and confidence they need as they integrate literacy into their middle and high school content area classrooms Its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms Rather than passively learning about strategies for

incorporating content area literacy activities readers get hands on experience in such techniques as mapping webbing anticipation guides booktalks class websites and journal writing and reflection Readers also learn how to integrate children s and young adult literature primary sources biographies essays poetry and online content communities and websites into their classrooms Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students content area learning Author Sharon Kane demonstrates how relevant reading writing speaking listening and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks     College Admissions College Entrance Examination Board,1960     *Educational Times* ,1888     **New York** ,1986-11     *Sociological Abstracts* Leo P.
